Von Lena Novosel
Hard Eight ist eines der besten Bücher in der Stephanie Plum - Serie die bis jetzt erschienen ist! Janet Evanovich scheint endlich den alten Humor wiederentdeckt zu haben den ich die letzten 3 Bücher immer vermisst habe! Dieses mal steht die Triangel Beziehung zwischen Stephanie-Ranger-Joe mal nicht so sehr im Vordergrund wie früher! Da unsere Titelheldin sich immer noch nicht zwischen den beiden Supermännern entscheiden kann hängt die Sache momentan irgendwie in der Luft! Diesmal gibt es gott sei dank keinen mörderischen Cliffhanger dafür wie immer ein paar merkwürdige Gestalten! Hauptsächlich geht es in diesem Buch um das Verschwinden eines kleinen Mädchens und deren Mutter und um die Rivalität zwischen Steph und einer super Kopfgeldjägerin namens Jeanne Ellen Burrows! Natürlich ist die Sache wiederum nicht so harmlos wie sie zuerst aussieht! Unsere Heldin muss sich mal wieder durch einige Leichen schlagen, wird von Schwestern durch den Park verfolgt und muss sich gegen Eddie Abruzzi behaupten, einen Gangsterboss der in ihrer Wohnung ständig irgendwelche ekligen Vieher versteckt und natürlich Kloughn einen etwas erfolglosen und sehr anhänglichen Anwalt rumkutschieren! Grandma Mazur luft mal wieder zu ihrer Hühnerform auf und stellt peinliche Fragen über Jungfrulichkeit von Männern und Cybersex! Ranger benimmt sich etwas anders als gewohnt, da er über das ganze Buch hindurch Stephanie Andeutungen macht das er was von ihr will, allerdings auch ständig behauptet das Morelli ein toller Kerl ist und Steph liebt! Leider muss man auf nächstes Jahr warten um Antwort auf die Frage zu kriegen wie es weiter geht oder sich zwischendurch die Zeit mit "Visions of Sugar Plums" dem kleinen Plum-Roman vertreiben der im November 2002 erscheint! Das Buch ist auf jedenfall lesenswert!
4 von 4 Kunden fanden die folgende Rezension hilfreich. Geese attack and a killer rabbit on the loose
Von MissGoWest
In "Hard Eight," bounty hunter Stephanie Plum doesn't just have to search for the usual bonds bail fugitives. Additionally, she tries to find the missing daughter and granddaughter of her parents' neighbor. However, she is not the only one to look for Evelyn and Annie. Dangerous Eddie Abruzzi as well as bounty hunter Jeanne Ellen Burrows also follow Evelyn's tracks. Soon Stephanie is confronted with Abruzzi's war games -- one of his fun ideas is to hire a six foot tall "bunny" stalking Stephanie. Stephanie's private life is equally dangerous. Been on the "off" option of the on-and-off relationship with Trenton cop Joe Morelli, her mentor Ranger sees his chance. And then there's the attorney Albert Kloughn who wants to be Stephanie's partner in bounty hunting. In true Plum chaos tradition, Stephanie has an unusually high rate of car loss again, but that's nothing compared to a geese attack in the park. Fans of Stephanie Plum will swallow this eighth adventure just as the preceding seven books, while newcomers might want to start with "One For The Money" and work their way up to "Hard Eight." Janet Evanovich is simply great at mixing mystery with screwball comedy elements. The result is a hilarious and highly entertaining thriller with a fantastic main protagonist and many equally fantastic supporting characters who easily win the heart of the reader.

Kurzbeschreibung
The #1 bestselling phenomenon continues in the eighth Stephanie Plum novel. The stakes get higher, the crimes get nastier, the chases get faster, and the men get hotter. This time Stephanie, Morelli, Ranger, Lula, Valerie, and Grandma Mazur are strapped in for the ride of their lives. Stephanie is hired to find a missing child. But things aren't always as they seem and Stephanie must determine if she's working for the right side of the law. Plus, there's the Morelli question: can a Jersey girl keep her head on straight when more than just bullets are aimed for her heart? And with the Plum and Morelli relationship looking rocky, is it time for Ranger to move in for the kill? Janet Evanovich's latest thriller proves that Hard Eight will never be enough.

In Hard Eight, Stephanie Plum picks up a case a little nastier than anything the wisecracking bounty hunter's seen before. Evelyn Soder and her young daughter have gone on the run, leaving an angry ex-husband who's planning to collect on a child custody bond that will leave Evelyn's grandmother homeless. Stephanie's first clue that there's more to it than that comes in the form of Eddie Abruzzi, a shady local businessman who warns her to butt out of the case. Stephanie doesn't scare easily, but when Abruzzi's henchmen leave a bag of snakes on her doorknob and tarantulas in her car, she has no choice but to call

Ranger, the hunky man of mystery whom she already owes too many favors. Steph knows that Ranger will soon be calling in his marker, but with her ex-fianc Joe Morelli out of the picture, that should be OK--shouldn't it? In the meantime, she's got other fugitives to catch, aided by the usual band of misfits, plus a bumbling correspondence-school lawyer who's developed the hots for Stephanie's sister, Valerie. And Steph's in for a surprise from her mother, who proves she's not above wielding a dangerous weapon to save her daughter's life. Author Janet Evanovich has made a bold move in using a soupçon of child jeopardy to pull this series out of the comfortable but formulaic pattern it was threatening to fall into. It's still funny, and yes, some cars are destroyed, but now there's a real edge of darkness under the humor. Fans needn't fear, though: Jersey girl Stephanie is still full of sass and Tastykakes. --Barrie Trinkle.co.uk
