seriousness Somehow, baseball is not my game and I don't get it, but CD Reiss still has the ability to make me like it. From it being a smaller part in the Submission series to now being a vital part, it all makes sense. Dash Wallace is this baseball superstar that seems to have an attitude as he never gives live interviews in front of a camera. What all sounds weird and mysterious in the beginning will make sense when he starts to let Vivian in. Vivian Foster is the heroine that every woman can relate to...she's a cute sensitive librarian who loves her job and her family and is very devoted to them. So when meeting Dash Wallace and him being more than interested in her, she questions herself, his motives. And yet she can't stay away and not be pulled in by his charm. Dash is a dirty talker, yet can quote Shakespeare. He's successful on the field, thanks to his superstitions. All that has Vivian's panties in a twist and wet. When she discovers how kinky Dash is and how well equipped, she finally starts to see herself as sexy and wanted. He shows her how beautiful and satisfying every kind of sexual activity can be. That exactly is what makes Dash break every routine that he has. She has entered his every thought, his every move throughout the day. Yet it seems unlikely that they can be together. Dash has secrets, things he needs to do or his luck will fade. Behind all this fan favorite facade lies something deeper. Something that he is afraid to share as he knows it will hurt the kind and loving and caring librarian. CD Reiss pulls you in with sweetness and sexiness and love and vulnerability like no other. You feel her love for the characters, the story, the sport. Those issues feel personal, they break your heart, they make you think. Her writing is flawless and addictive. If you have read her previous books, you might meet some other faves which made me grin a little brighter.

1 von 1 Kunden fanden die folgende Rezension hilfreich. viel tamtam um Mittelma Von missmorelli Die Rezi von diesem Buch haben meine Erwartungen sehr hoch geschraubt! Na ja, na ja! Entweder sind die deutschen Leserinnen kritischer oder dieser Baseball-Hype geht etwas an mir vorbei. Etwas fehlt mir hier die Tiefe, vor allem bei Protagonisten. Wäre er wohl nicht so umwerfend muskulös und gutaussehend könnte man ihn wohl als Bldmann bezeichnen - immer wieder! Aber das Buch war zwischendurch auch ganz lustig und die Bettszenen wirklich hei.....

Kurzbeschreibung THE USA TODAY BESTSELLER Perfect ass. Perfect arms. Perfect swagger. They call Dash Wallace the Diamond King. He's the hottest commodity in baseball and in the bedroom. When he runs the bases, every woman's eyes are glued to his stunning body and a smile that puts the night lights to shame. I'm no queen. I'm a regular girl with a regular job. I just watch him on TV and from the bleachers, season after season. Girls like me grab a guy like that one in a million times. My number just came up, and he is as spectacular in bed as he is on the field. But there's not a woman in the world who can distract Dash Wallace from the game. Not for a moment. Not even me. Until the night I do. And everything changes.-----Hardball is a SMOKING HOT, SEXY romance with a touch of angst and a ton of heart from CD Reiss. It's a fun, witty, full-length standalone meant for the over-eighteen crowd.

Pressestimmen CD Reiss hits a home-run! Proving she still delivers INSANELY hot scenes while showcasing a newer, softer and stunningly heartfelt author voice. --The Rockstars of Romance Dash Wallace is a dirty talking, sexy professional baseball player who falls hard for the girl next door, but beware... your heart will take a beating as you watch him struggle with sticking to all he's ever known at the risk of losing the best thing that ever happened to him. Hardball is one of those books that will suck you in and won't let you go until you devour every last, juicy bite. -- Sawyer Bennett, New York Times Bestselling Author of the Carolina Cold Fury Hockey Series Fiery hot and enticingly realistic, CD Reiss's captivating writing, complex characters and explosive love scenes make Hard Ball an irresistible modern day romance. --Katy Evans, New York Times Bestselling Author of Real Delightful, sexy, emotional, exciting, exhilarating. I loved every single second of it! A sports romance with a DASH of kink....it doesn't get any better than that! --Shayna Renee's Spicy Reads Unexpectedly emotional, beautifully written, and decadently naughty, CD Reiss once again owned me heart and soul. Hardball was an enthralling romance from start to finish!! And I never wanted it to end. --Angie and Jessica's Dreamy Reads So much more than just a sports romance, HARDBALL has the perfect blend of smart writing, kinky hot sex, and pure heart. I couldn't put it down. - Melanie Harlow, USA Today Bestselling Author of Happy Crazy Love Series
