...another adorable sexy funny moving addition to this great hockey series!Von Bianca @BJsBB4.9

StarsHAWKESeven years ago, back home in Canada, Hawke and Vale had been madly in love for over four years. They loved each other, they loved life, they loved to party and drink, they loved doing stupid stuff....But then, when Hawke finally got his chance to be a pro hockey player, and had to leave, Vale broke up with him...crushing his heart.He had no idea why she did what she did back then, but he did his best to forget the love of his life and move on - as much as breathing hockey, having random hook-ups and lots of alcohol is moving on.VALEShe loved this boy

like crazy, but something made her end things back then - we of course don't know the whats and whys yet. Now she's back in his life. He's just been traded to the Carolina Cold Fury, where she just got a job as an athletic trainer. She had to move to Raleigh, because her dad got into some clinical trial thing at Duke - probably the last chance to save his life.... And since Hawke's always been good friends with her dad, he hangs around her apartment a lot! Even though he hates her, and she should hate him.... BUT.... to hate someone probably means that there might be some feelings left.... WHAT WILL HAPPEN TO VALE HAWKE???? WILL THE TWO OF THEM GET THEIR HEA? WILL EVERYBODY SURVIVE??? Finally a new book in this adorable Hockey series. Hawke! He's so grrrrr.... total bearded hotness!!! And I really loved that we got to see all our old hockey friends again - and how they welcomed Hawke into the team... Hawke and Vale were sooo in love seven years ago. They have so much history together.... there must still be something left ... And of course there is... but Vale kinda has a boyfriend and Hawke kinda hates Vale. Fun times! But of course it doesn't take them too long to get closer.... if it's in hate or love or lust.... who knows... We have lots of sexy and frustrating and sad and cute moments in this book! I really enjoyed Hawke's story! Can't say who's my favorite of the guys so far... but Hawke was really good! I had some tiny little problems with the writing... Sawyer used some 'big' words a LOT - I'm not a fan of weird big words in simple romances, it always makes me think the author tries too hard to be 'more', smarter, wiser ... whatever... I just don't like it! BUT.... HAWKE was another adorable, sexy, funny and moving addition to this great series! You'll love this bearded Hottie!!!!... and now hurry Sawyer - I want MAX asap!!!!!! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Nicht schlecht, aber nicht der beste Band der Reihe. Von To catch a falling book 3.5 stars. Review on Fr Vale und Hawke war es die groe Liebe. Ohne Kompromisse, ohne Einschrnkungen lebten die beiden Teenager in den Tag hinein. Partys und einander, mehr brauchten sie nicht. Bis Vale eines Tages fr Hawke vollkommend berraschend sich von ihm trennte. Ohne Erklrung und ohne jeden weiteren Kontakt. Nur wenige Stunden spter verlie Hawke die Stadt, um seinen Vertrag als Eishockeyspieler anzutreten. Doch die Erinnerungen und der rger blieben. Sieben Jahre spter treffen die beiden unerwartet wieder aufeinander. Whrend Vale die Vergangenheit und ihre Grnde nicht aufwrmen will, braucht Hawke endlich Antworten. Und auch ihre alten Gefhle leben wieder auf. Vale Campbell war unsterblich in Hawke verliebt. Sein Name zierte als Tattoo eine intime Stelle, seine Liebe hat sie stark gemacht. Bis jemand eine traumatische Situation ausnutzte und Zweifel in ihr ste. Die Zwanzigjhrige beginnt ihr bisheriges Leben in Frage zu stellen und zieht Konsequenzen, die sie beide verletzten. Sieben Jahre spter lebt sie fr ihren Dad und ihre zwei Jobs. Whrend sie als Assistent Athletic Trainer bei den Cold Furys arbeitet, gibt sie auch noch Privatstunden als Fitnesstrainerin, um alle notwendigen Ausgaben begleichen zu knnen. Dass sie dabei auf Hawke trifft, bringt ihr ohnehin aus dem Gleichgewicht geratenes Leben noch mehr durcheinander. Er ist noch immer derselbe attraktive, kompromisslose Mann, in den sie sich verliebt hat und so gelingt es ihr nur schwer, sich ihm zu entziehen. Zwar mochte ich Vale als verletzte, berforderte Trainerin, doch mit ihren Argumenten habe ich mir sehr schwer getan. Die Grnde, weshalb sie Hawke damals von sich gestoen hat, habe ich bereits geahnt und sie sind meiner Meinung nach nicht gerechtfertigt. Ja, sie war in einer emotionalen Ausnahmesituation aber ich bin der Meinung, dass sie Hawke damals htte einweihen sollen; er hatte es verdient und immerhin gingen die beiden durch Dick und Dnn. Auch war es frustrierend, dass sie so lange damit gewartet hat, Hawke die Wahrheit zu sagen. Hawke Therrier hat die letzten sieben Jahre damit verbracht, seine Karriere zu pushen, Partys zu feiern und sein Leben zu genieen. Er ist schockiert, als er Vale im Trainingsraum der Cold Furys wiedertrifft. Sofort kommt der rger, das Unverstndnis und der Schmerz von damals wieder in ihm hoch. Doch aus dem Mdchen, das er damals geliebt hat, ist ein Schatten ihrer selbst geworden. Trotz ihres schwierigen Verhltnisses ist Hawke sofort zur Stelle, als Vales Dad, der ihn immer wie einen eigenen Sohn behandelt hatte, Hilfe bentigt. Es war wirklich schn mitzuerleben, wie er auch Vale untersttzt und ihre Motive, ihn von sich zu stoen, zu verstehen, wenn auch nicht zu vergessen scheint. Es war toll, die weiche Seite dieses dominanten, starken Mannes kennenzulernen, bevor. Dann kommt allerdings das L-Wort zur Sprache und er ist ein Idiot (auch wenn seine Zweifel aufgrund ihrer Vergangenheit auch etwas verstndlich sind). Das Ende ging mir zu schnell und glatt, aber es gab zumindest einen schnen Epilog. In Hawke geht es nicht nur um zweite Chancen, sondern auch um die groe erste Liebe, die alles berwindet. Es ist nicht alles eitler Sonnenschein; es gibt genau die richtige Dosis Drama, damit die Geschichte glaubwrdig bleibt. Sawyer Bennett versteht es, auch in Band 5 der Reihe Charaktere zu schaffen, deren Schicksal einen berhrt und denen man nur das Beste wnscht.

Kurzbeschreibung NEW YORK TIMES BESTSELLER The Carolina Cold Fury hockey series continues as the team's most notorious party animal gets blindsided by the one that got away. Off the ice, elite defenseman Hawke Therrien enjoys his fair share of booze and good times. And why shouldn't he? He's worked his way up from the minor leagues and made himself a star. The only thing Hawke misses from that life is the pierced, tattooed free spirit who broke his heart without so much as an explanation. She's almost unrecognizable when she walks back into his life seven years later except for the look in her eyes that feels like a punch to the gut. Vale Campbell isn't the same girl she was at twenty. As crazy as she was about Hawke, her reckless behavior and out-of-control drinking were starting to scare her.

She had to clean up her act, and that would never happen with Hawke around. Cutting him loose was the hardest thing Vale ever had to do until now. Because she's still crazy about Hawke. And if he could ever learn to forgive her, they just might have a future together.
