I LOOOVED IT!Von Bianca @BJsBBWe all remember Cole and Olivia from IT'S IN HIS KISS. Cole is a partner in the Lucky Harbor Charters boat-charter business with Sam (It's in his kiss) and Tanner (One in a million). And Olivia is the new girl in town. She moved in next to Sam's girlfriend Becca's

place, and she runs the local vintage shop. The way Cole and Olivia officially meet for the first time is too funny!!! Unofficially Olivia has been staring at Cole for months. Everytime those three sexy guys are out surfing or running or working out Olivia might have sneaked a peek. All techno-geek with some alpha mixed in. Just like our geriatric darling Lucille always does. Only Lucille takes photos and posts them on tumblr. Olivia just stares ...and maybe dreams... Well, back to Cole and Olivia meeting. So cute and funny - I was sitting in a dentist waiting room when I started reading the book - and the room was full of people. It might have been a tiny little bit embarrassing!!!! Cole's family (aka his mom and his three sisters) are always after him to finally find a woman and settle down. But Cole has lots of things to overcome. A bad break-up the horrible fire on the oil rig, where he lost his friend and where Tanner got hurt. ...And Olivia has problems of her own. Her mom. She's pressuring her into coming back to Los Angeles and be a TV star again. Mom needs money. Olivia used to be the star of a teenie show back in the day, and it didn't end all that well. In Lucky Harbor she finally found a nice place to live and forget about her past. And now there's Cole. She can't start something with him. Once people get to know her they might find out who she is, who she was. She doesn't want to risk that. But - Cole is horribly attracted to her too and he's not one to give up that easily! Lots of problems on both sides... but a huge attraction too.....but with Olivia's past coming closer to Lucky Harbor every day and Cole's past catching up with him more and more every day.....WHAT WILL HAPPEN TO OLIVIA COLE??? WILL THERE BE A HEA??? WILL THERE BE A CLIFFHANGER??? Nope . . . I'm not telling you

\_\_\_\_\_ This was such a beautiful funny story! I loved it from the first seconds to the last words. I remember that I said the last book was my favorite Lucky Harbor book ever - and I might still think that way - BUT this one comes horribly close.... nooo, He's So Fine can totally share the number one spot with It's In His Kiss! I LOVED IT!!!! You just cannot NOT love a book that starts sooo adorably funny And of course Lucille is never far from where all the hot guys are Facebook won't let her post her sexy photos anymore - so now she's on Tumblr. "Tumblr. I'm at Tumblr now. They don't have a stick up their ass about tasteful art the way Facebook does." This 11th Lucky Harbor Romance had everything I need in my Romances: FUNNY SCENES SEXY ROMANTIC SCENES MOVING SAD SCENES SHE'S SO FINE was just PERFECT!!! At least for me it was - I really think and hope that you will love it too!! Now I can't wait to read about our sexy ex-SEAL Tanner! He will have to deal not only with his teenage son coming to live with him - he's also meeting his future HEA with Callie, who moved in next to Olivia

Sehr schne Lektre Von booksmore Die Bcher von Jill Shalvis aus der "Lucky Harbor"-Reihe sind wirklich empfehlenswert, wenn man eine leichte, aber schne und romantische Lektre fr gemtliche Stunden sucht. Die Charaktere sind liebenswert und das gelegentliche Schmunzeln kommt von ganz alleine. Auch diese Geschichte um Cole und Olivia ist wieder sehr, sehr lesenswert! Richtig schn! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Einfach schn!!! Von Sunny2 Die ganze Serie ist empfehlenswert. Von Buch zu Buch werden die Geschichten, in meinen Augen, immer besser. Story lsst sich gut lesen und ldt zum trumen ein. Schn als "Gute-Nacht"-Geschichte oder fr den Urlaub.

Kurzbeschreibung Fans of Susan Andersen, Bella Andre, Rachel Gibson, Carly Phillips, and Debbie Macomber will fall head over heels for New York Times bestselling author Jill Shalvis' Lucky Harbor series. This is the eleventh enthralling novel, laced with Jill's trademark gift for humour, warmth and romance. For Olivia Bentley, Lucky Harbor is more than the town where she runs her new vintage shop. It's the place where folks are friendly to strangers - and nobody knows her real name. Olivia does a good job of keeping her past buried, not getting too cozy with anyone . . . until she sees a man drowning. Suddenly she's rushing into the surf, getting up close and personal with the hottest guy she's ever laid hands on. Charter boat captain Cole Donovan has no problem with a gorgeous woman throwing her arms around his neck in an effort to 'save' him. In fact, he'd like to spend a lot more time skin-to-skin with Olivia. He's just not expecting that real trouble is about to come her way. Will it bring her deeper into Cole's heart, or will it be the end of Olivia's days in little Lucky Harbor? Want more sexy, fun romance?
