KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Enticing and entertaining series that is well written and very enjoyable to read.Von Donna HokansonHealed by the Dragon:

Part One 5 stars Resistance may be futility Arabella goes to the Lochguard clan in the exchange program the two Alphas set up. She's there to help with the programming work. But Finn and his dragon want her there for more than just that reason, the ruddy beast. Arabella had intended to stay away from the Lochguard clan leader, Finlay Stewart, but things just keep bringing them together. I love this first book of this set.

Healed by the Dragon: Part Two 5 Stars The chase is on Things are heating up between Finn and Arabella. But strife within the clan seems to be trying to get to Finn through her. Arabella with the help of her dragon and Finn seems to be coming out of her shell. And her dragon is starting to show her true strength to Arabella now that she's ready for it. Can the two of them resist each other for long? Or will other factors keep them apart or send them closer together?

Healed by the Dragon: Part Three 5 Stars It's getting Steamy Arabella and Finn are playing with fire with each other to the point of pushing the frenzy it not careful. Ara and her dragon are getting to know each other more each day and healing is progressing. Her dragon is helping her to get stronger and the connection to Finn is growing stronger. But you just know somethings about to happen and not in a good way.

Healed by the Dragon: Part Four 5 Stars Bad timing for trouble Arabella and Finn just leave the hall and are starting the mating frenzy when all hell breaks loose. Faye come to tell Finn that the Dragon Knights are attacking and wants Arabella. Finn's dragon thinks it's a trick and tries to attack Faye. But both Finn and Arabella are going to have to postpone the frenzy if anything is to be done about the attack especially if Duncan has anything to do with it. Exciting ending to this set with lots happening and a great HEA for most. Great ending to this four part series, just makes me want more by Jessie Donovan. Well written and very entertaining to read.

Kurzbeschreibung STONEFIRE DRAGONS BOOK 4 Arabella MacLeod was tortured by dragon hunters a decade ago. Ever since, her clan coddled and tip-toed around her, most especially her older brother. Desperate for a chance at freedom, she volunteers to foster with the Scottish dragon-shifter clan. She's determined to stay clear of the charming Scottish leader, but not only does he keep crossing her path, her dragon is drawn to him. Finlay Stewart hasn't been able to forget the scarred dragonwoman he met at Stonefire six months ago. When the same female agrees to be fostered with his clan, Finn pursues her. Balancing his clan duties with his need to see Arabella isn't easy, especially with the existing rift in the clan, but he's determined to try. Arabella's inner strength draws him like no other female before. Will Arabella trust Finn with her past? Or, will the rift in his clan tear them apart? 87,000 words / 18+, explicit language and sexual situations / Full-length book with a happy ending (No Cliffhanger!) Note: This book was previously titled, "Healed by the Dragon: Boxed Set (Parts #1-4)." However, it is exactly the same story.
