Lame Von Ein Kunde This was the poorest book that I've read by L.H. The heroine Michelle is wimpy and weak and

lets John walk all over her. He is annoyingly chauvinistic and treats her like an invalid. The plot develops too quickly and she practically falls in his arms never to let go again. So, frankly, I think this book was a waste of money and L.H. has done way better.0 von 0 Kunden fanden die folgende Rezension hilfreich. PredictableVon ampsrdanWhile the book is well written, the characters and plot are a bit predictable. It's your typical arrogant-man-rescues-wannabe-independent-woman. An easy read.7 von 12 Kunden fanden die folgende Rezension hilfreich. old style but charmingVon Ruth HansI think this book is just written in the style of the early 80th, but the heroin was anything but weak. She was going on and on, `till the hero (I think that he`s been too macho) came to the rescue of his `old enemy`. I read nearly every book written by L. H. and I especially enjoy the changing in her style of writing. So she`ll never get boring. The main important intention of any book must be to entertain and thats something Mrs. Howard knows best how to succeed.
