Hell on Heels book threeVon Helena BrnemyrI really like this book. It is very funny, and it does have surprises in the story. Sometimes these type of books are just copies of other similar books, but this one feels like it is "new". I was often laughing out loud.

KurzbeschreibungWhere does a Demon go when she gets deported from Hell?Kentucky. Eden, Kentucky to be more specificwhere nothing is exactly as it seems. My name is Dixie. Im a Demona lousy Demon. Im a twenty-one year old virgin and I have a battery operated boyfriend. My magic is iffy at best and downright dangerous at worst. Leaving Hell to represent my race is not high on my list of things to do.Hell was exact. Hell was simple. All I want to do is get to home base with the hotter than Hades Demon of my dreams and work on my dark side so Satan, my dad, will get off my ass.Instead I end up in Kentucky looking for the Balance of Chaos, avoiding pole dancing classes with Mother Nature and finding out my invisible friend is a silver skinned destructive weather pattern.And if that isnt craptastic enough, the damn Sword of Death is missing again and who ever has it wants the King of the Underworld dead. Seriously.With new powers emerging daily, keeping my Demon side, horniness and general disgust under wraps doesnt make it any easier to fit in with the humans. Thankfully my priorities are in line: get laidsave worldtry not to blow up kitchen appliancesand get laid again. I was ready to rumble.All I want to do is go back to Hell, but with the balance of good and evil in my hands, Im stuck in the garden of Eden. Oh well, what the Hell. Someone has to save the world before theres no world left to save. Might as well be me.KurzbeschreibungWhere does a Demon go when she gets deported from Hell?Kentucky. Might as well be me.ber den Autor und weitere MitwirkendeRobyn Peterman writes because the people inside her head wont leave her alone until she gives them life on paper. Her addictions include laughing really hard with friends, shoes (the expensive kind), Target, Coke Zero Cherry with extra ice in a styrofoam cup, bejeweled reading glasses, her kids, her super-hot hubby and collecting stray animals. A former professional actress, with Broadway, film and T.V. credits, she now lives in the south with her family and too many animals to count. Writing gives her peace and makes her whole, plus having a job where you can work in your underpants works really well for her. You can leave Robyn a message via the Contact Page and shell get back to you as soon as her bizarre life permits! She loves to hear from her fans!
