Amusing Von Ulrike Koverly amusing story - time flies reading it. as I do love happy ends and here it is guaranteed the book for some very refreshing hours.

Kurzbeschreibung Matilda, Duchess of Hadshire, was a virtual prisoner of a cruel husband who romanced his mistress right under the duchess's nose. Her only joy was dreaming of the handsome Earl of Torridon - for he, like her, was trapped in a horrid marriage and longed to find true love and happiness. Though she secretly wished for the death of her unkind husband, Matilda never imagined the guilt that would plague her when the illustrious duke was befittingly murdered by his own regular lady! When Matilda turned to Torridon for comfort, she discovered a few surprises in store for both of them. ABOUT THE SERIES Countesses, Marquises, Lords and Ladies, Viscounts and Princesses all meet in the Royal series where they at once both live and try to avoid lives of scandal and sin, where love - we pray - trumps all but revenge is sometimes the name of the game, especially if inheritance, notoriety and fortune are part of the hand. Here, many threads are skillfully interwoven in a highly entertaining series that never fails to please or fall short of its mark. ABOUT THE AUTHOR From 1977 to the early 1990s, Marion Chesney wrote over one hundred romance novels. Now writing as M. C. Beaton, she is the bestselling award-winning author of two internationally successful mystery series - HAMISH MACBETH and AGATHA RAISIN. She lives in the United Kingdom.
