Von A.E. Via : Here Comes Trouble (Nothing Special Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Here Comes Trouble (Nothing Special Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Well named series...Von Yunomi... because that's exactly what this is: Nothing special. The author seems to have even a worse grasp of the use of English tenses than I do, and I'm German. She also still and truly adores God (haha), and the

constant worship frankly went on my nerves. Have to admit I didn't really like the first part of this series, so no surprise. Still, if you're in the mood for a straightforward police m/m-love story, I'd say it's okay. Better than the first part, because less overly dramatic. If you want to read basically this story, but better, cause with a bit of plot and better fleshed out characters, you read "All Kinds of Tied Down" by Mary Calmes. 1 von 1 Kunden fanden die folgende Rezension hilfreich. That's not only the weakest book in the series Von Felizit's also the one with the most mistakes. This text has a nodding relationship with grammar, interpunction, and spelling at best, and that's putting it mildly. Seriously, whoever proofread this story should at least invest in a spellchecking program and if they should be suffering from a serious case of long pockets and short arms - newflash, there are spellchecking programs FOR FREE on the internet. Just pick one. And USE it. The story itself is a rather meh friends-to-lovers with an orphan rescue subplot thrown in for good measure and with too many sex scenes that were yawn inducing for their repetitiveness. Two stars because the series as a whole intrigued me enough to buy this poor piece of editing workmanship AND the next two too. However, I wouldn't do it again. 0 von 0 Kunden fanden die folgende Rezension hilfreich. I loved it... Von edo45... like every other book Ms. Via wrote. The story is captivating and very well told. I fought and suffered with the guys ththrough the whole story.

Kurzbeschreibung Detectives Mark Ruxsberg and Chris Green are very good at their jobs. Being the enforcers for God and Day's notorious Atlanta PD Narcotics Task Force causes the crazy duo to get into more trouble than they can often get out of. The pair never misses out on an opportunity to drive their Lieutenants crazy with their dangerous, reckless, and costly stunts, landing them in the hot seat in front God... often. Ruxs and Green love their jobs and they don't mind the very demanding schedule that leaves them little time for socializing or dating. It was fine with them, they enjoyed hanging out with each other anyway. However, most of the men in their close circle of friends and colleagues are pairing off and settling down. God has Day, Ro has Johnson, and their Sergeant Syn has Furious. For the past several years, Ruxs has only sought out the advice and company of one person, his partner and best friend Green, and vice versa. Both of these alpha males are presumed straight, but neither can deny the heat that's building in their once 'just friends' relationship.
