sequence of want-to-be jokes and allusions in this rather uninspiring story. Anna, once fat and self-conscious, now beautiful, highly educated and self-conscious, meets the torturer of her school days. He doesn't recognize her and slowly, really slowly finds himself falling in love with her. She also feels attracted by him. In this rather unlikely constellation she could have been made to play subtle tricks on him. Instead the characters remain in their stereotypical roles, which makes the read efficiently boring. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Bezaubernde Lovestory Von mirjam Mein zweites Buch dieser Autorin, gut zu lesen und steht dem ersten in nichts nach. Absolut empfehlenswert. Se Lovestory, perfekte Urlaubslektüre.

Kurzbeschreibung The new novel from the bestselling author of You Had Me At Hello. Anna Alessi history expert, possessor of a lot of hair and an occasionally filthy mouth seeks nice man for intelligent conversation and Mills Boon moments. Despite the oddballs that keep turning up on her dates, Anna couldn't be happier. As a 30-something with a job she loves, life has turned out better than she dared dream. However, things weren't always this way, and her years spent as the Italian Galleon of an East London comprehensive are ones she'd rather forget. So when James Fraser the architect of Anna's final humiliation at school walks back into her life, her world is turned upside down. But James seems a changed man. Polite. Mature. Funny, even. People can change, right? So why does Anna feel like she's a fool to trust him? Hilarious and poignant, Here's Looking At You will have you laughing one minute and crying the next.
