Von Maya Banks : Hidden Away (KGI series Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hidden Away (KGI series Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 4 Kunden fanden die folgende Rezension hilfreich. KGI, Book ThreeVon Detra FitchThe Kelly Group International (KGI) is a super-elite, top secret, family-run business. They

handle jobs the U.S. government cannot. Marcus Lattimer is a personal enemy of KGI, so when the CIA asks for help, Garrett Kelly jumps at the chance to nail the guy. Allen Cross had been killed in his office and it is believed that Lattimer personally assassinated the businessman instead of sending one of his men to do the job. However, the monitors had conveniently been down and the security guard away from his post. To nab Lattimer, Garrett would need to keep tabs on Lattimer's half sister, Sarah Daniels, who witnessed the murder. Until very recently, no one knew that Lattimer had any living family members. He is extremely protective of Sarah, making sure that she knows nothing about his shady activities and that his life never touches her in any way. After seeing Marcus kill her former boss, Sarah goes into hiding. She is not hiding because she is afraid of her half brother. She is in hiding to protect him. Stanley had seen her in the building following Allen's death. The last thing Sarah wants is for Stanley to learn that Marcus is the one who killed his brother - even if he did deserve it. The sister of the CIA's most wanted man is on the Isle de Bijoux. She is holed up in a cottage on a remote section of the beach. Though many would consider the all expenses paid trip to Florida to be sort of a vacation, Garrett sees Sarah simply as bait to get Lattimer. This is a cake job. Stick to Sarah and nail Lattimer when the time comes. But Garrett never counts on falling for Sarah. When he glimpses Sarah's dark past, he wants nothing more than to keep her safe - even after she disappears on him. Garrett may not know why Sarah is running, but it is clear that she is running for her life. Why is it always the cake jobs that go horribly wrong? ***** FIVE STARS! Banks knows what her readers crave in their stories. Action, suspense, and romantic drama collides in this, the third Kelly brother's tale. Even though this story is not "non-stop" as the previous two KGI novels, I still feel it deserves the full five stars. There is a lot more drama and, since Sarah has recently been through a horrible experience, the romance builds slower. The only glaring typo I noticed is toward the beginning (page seventeen) when, while discussing Marcus's relation to Sarah, Resnick's name is used instead of Lattimer's. Otherwise there is nothing to distract the reader from spending a cozy afternoon or evening with the Kelly family. Anyone who believes they can read a book by Maya Banks without sitting on the edge of their seat, at least once, is delusional. ***** Reviewed by Detra Fitch of Huntress Reviews.

Kurzbeschreibung Most people would take an all-expense=paid trip to the beach in a heartbeat. Garrett Kelly only accepts to keep tabs on Sarah Daniels, who's in hiding after witnessing a murder committed by her half brother-a personal enemy of KGI. But Garrett hadn't planned on falling for Sarah. When he glimpses her dark past, he feels an urgent desire to keep her safe-even as she disappears, running for her life.
