HotVon JuraDelanie, eine Kindergärtnerin, ist undercover unterwegs um ihre Schwester zu finden. Dafür spielt sie die Freundin eines Drogenbosses, dem vormaligen Freund ihrer Schwester. Aus ihrer eigenen Vergangenheit taucht plötzlich Kyle, (ein alter Bekannter, der Bruder von Marnie aus Kiss and Tell) auf. Die beiden hatten einmal eine heisse Nacht zusammen und auch diesmal spritzt der Funke wieder. Aber mit einem Drogenboss ist nicht zu spaen und so kommt es schnell zu haarigen Situationen, in denen die beiden um ihr Leben kmpfen mssen. Adair schreibt hiermit sowohl einen Thriller, als auch eine heisse Romance-Story. Ein super Lesespa. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Fabulous! Von StephanieAs her search for her missing sister leads her into South America, Delanie Eastman comes across Kyle Wright, a man from her past who she still has feelings for. On a mission of his own, Kyle is surprised to see Delanie and knows that her presence is going to throw a curveball into the works. You can't help but fall in love with Kyle and Delanie as they race to find her sister and not get caught in the crossfire of an international crime lord. A part of Cherry Adair's TFLAC series, it is not one to be missed. 7 von 10 Kunden fanden die folgende Rezension hilfreich. Good read Von Ein KundeI've bought this book because I read Kiss and Tell of Ms. Adair before. Though I liked Kiss and Tell better, Hide and Seek is a good suspenseful and well-plotted romance. The only reason why I didn't give five stars is because the heroine is one of the 'walk-constantly-into-blatant-danger-although-everybody-would-know-better-kind' which I found a tad annoying at times.
