Very amusing! a definate cheer yourself up book!Von Ein KundeThis was the fourth book that I have read from Katie Fforde, and I have to admit that, so far, this is my absolute favourite! When you open the first page and start reading, it automatically grips you and you become instant friends with the heroine, Jenny.She's a perfectly down -to-earth sort of

girl and when she collides with two different social classes whilst visiting the Scottish Highlands on business you fully sympathise when she is forced to live with upper class snobs and at the same time try and help out at a burger bar, AND...save a mill and an entire town from losing their jobs. When she meets the arrogant Ross I rolled up in laughter at the witty, sarcastic get-togethers, and naturally there is plenty of romance which eventually leads to a happy ending. This is a very entertaining read, a definite keeper when you want something light to read or to just simply cheer you up! Enjoy!

Die Liebesgeschichte ist spannend und die Umgebung, in der das Ganze spielt, interessant, manches Mal rauh aber auch romantisch. Diese Art Romane sind nicht so platt und langweilig - aber trotzdem leicht genug, um abends im Bett nochmal in eine andere Welt abzutauchen. Ich habe jetzt den 4. Fforde-Roman gekauft. Bisher gefallen mir alle recht gut.

Lese ich gern mal wieder, wenn ansante Unterhaltung brauche. Wer einen Tatsachenbericht sucht, mit plausiblen Geschichten, wird hier enttäuscht. Bei Katie Fforde geht es um Romantik und eine schne Geschichte - und die gibt es hier zu lesen.

Kurzbeschreibung After a fight with her boyfriend, a business trip to Scotland is the perfect diversion for Jenny Porter, who works as a virtual assistant for a financial executive. Dispatched to assess a failing textile mill, Jenny instead finds herself determined to save it at any cost after befriending its charming employees. That cost might just be her sanity as she stretches her resources, patience, and compassion to the outer limits. As she gets to know the colorful Dalmain clan, Jenny just can't say no when asked to help run a mobile food stand, save the family business, put an overbearing matriarch in her place, rekindle an old romance, or throw a dinner party for sixteen on short notice. Then there's the problem of being attracted to the dashing yet abrasive Ross Grant, who has a way of showing up just when things seem almost sane and manageable.. The majestic Scottish highlands, covered in purple heather and dotted with sheep and llamas, provide a dramatic backdrop while Jenny tries to pull everything together in time to save the mill and figure out her increasingly complicated personal life, in this delightful, romantic romp.

Pressestimmen "The ideal summer read" (Choice) "The romance fizzles along with good humour and is a good, fat, summery read" (Sunday Mirror) "Old-fashioned romance of the best sort funny, comforting" (Elle)

Werbetext A fine romance? A wonderfully romantic novel from the No. 1 Sunday Times bestselling author of Recipe for Love, A French Affair and The Perfect Match.
