Von Lilli Dieses Buch hat mich einfach zum Lachen gebracht, wie fast kein anderes. Die Charaktere sind zum Schieen. Und wenn ich nicht gelacht habe, dann war es die emotionale Geschichte die mich zu Trnen gerhrt hat. Das traurige an der Geschichte ist, das es Mtter dieser Art in Wirklichkeit gibt und wenigstens in

dieser Story ein HEA gibt. Also zusammengefasst, wer eine gefühlvolle, mitreisende und komische Story lesen will, ist hier genau richtig.

KurzbeschreibungHerSnark. Jokes. Attitude. These were all things I used to disguise the hole in my heart. I'm not a happy person. I don't live life. I just exist. That is until that beautiful man rides in on his Harley Fat Boy and burns rubber on the way into my heart. HimMy life's been no hayride either. Everyone I've ever loved in life has died or betrayed me. So I stay back and watch. Unless you're one of my brothers, you get nothing from me. I don't participate. I ride. I eat. I sleep. I work. And I repeat. That is until Ember stomps into my life with her bad attitude. She's all piss and vinegar, and makes me want to share my bike seat for the first time. TogetherThey fight like cats and dogs. Don't see eye to eye on a single thing. They rant, rave, and yell. They bring out the best in each other. They heal each other's hearts and souls. They find what they were missing, even the things they never even knew they had. Everything is perfect. If you didn't count a gang, one of the biggest in the South, gunning for Ember. That, or the pure evilness that is Gabe's ex-girlfriend. Gabe will have to put his life on the line to save the one woman he loves, but will it be enough?One thing is constant in life. It's about the journey, not about the destination.
