Das erste war The Understatement of the Year von Sarina Bowen und sie hatte die Geschichte Gefühl- und Respektvoll geschrieben. Da sie mit Elle Kennedy bei diesem Projekt eine Kooperation eingegangen ist und ich auch den Schreibstil von Kennedy mag, dachte ich mir, dass ich dem Ganzen eine Chance gebe. Zumal schwärmen SO VIELE in der Facebookgruppe The Lockerroom (Die von verschiedenen Autoren betrieben wird), das man irgendwie neugierig wird. Mir persönlich ist wichtig, dass die Geschichte und die Charaktere respektvoll beschrieben werden und in Sprache und Schreibstil ein gewisses Niveau herrscht und das ist hier vorhanden. Es fiel mir leicht in die Geschichte einzutauchen und Jamie Wes kennenzulernen, die unterschiedlicher nicht sein könnten. Jamie, die Ruhe selbst - Wes, der Wirbelwind. Die Geschichte kommt Gott sei Dank ohne zickige Dramatik und irrationale Handlungen aus. Ich empfinde alles als nachvollziehbar. Die New Adult Szenen sind definitiv expliziter als in Understatement of the Year, aber immer noch niveauvoll geschrieben, denke ich. Und ja, es gibt ein Happy End. Da dieses Genre neu für mich ist habe ich nicht viele Vergleichsmöglichkeiten, aber ich denke es war eine gute Wahl.

Wes plays on the east coast and Jamie on the west coast. They used to be best friends. Six years through high and junior high they would meet every summer for six weeks - at a hockey camp in Lake Placid - New York. But something happened when they were 18. Something that stopped their friendship. Isn't there an old saying that goes something like that: It all started with this blowjob - that I gave my best - straight - friend??? Back then Wes had been in love with Jamie - he wasn't yet 100 percent sure if he was really gay himself, but he knew that Jamie wasn't gay. And with this stupid dare on their last day of camp - he destroyed everything. But now - four years later - their teams play in the same tournament in Boston. And Wes realizes that he still has feelings for the beautiful California boy. Jamie realizes that he missed Wes - but what happened back then probably destroyed whatever friendship they had.... or didn't it?? Time to go back to camp and find out WHAT WILL HAPPEN TO WES JAMIE???? WILL THE TWO OF THEM GET THEIR HEA? I'm not telling you that of course... I LOOOVED IT!!! Is there anything better than a sexy m/m sports romance??? Especially because in real life all those poor gay sports guys are not really allowed to come out to the world!!! I LOVED EVERY SECOND OF THIS BOOK!!!! Both Wes and Jamie are soooo cute and hot and adorable and funny and sexy and talented and hot and ugh - perfect! You just want them to get to it already - they're so perfect for each other And we have lots of SEXY funny times in Lake Placid... But it's just for the summer, right? Jamie is not really gay or bi and Wes can't have a boyfriend when he's a first year NHL player. I really enjoyed the story - lots of sexy and funny and cute moments and moving!!! HIM - was an amazingly erotic and adorable m/m Hockey romance ... You can't help but fall in love with Wes Jamie

Kurzbeschreibung They don't play for the same team. Or do they? Jamie Canning has never been able to figure out how he lost his closest friend. Four years ago, his tattooed, wise-cracking, rule-breaking roommate cut him off without an explanation. So what if things got a little weird on the last night of hockey camp the summer they were eighteen? It was just a little drunken foolishness. Nobody died. Ryan Wesley's biggest regret is coaxing his very straight friend into a bet that pushed the boundaries of their relationship. Now, with their college teams set to face off at the national championship, he'll finally get a chance to apologize. But all it takes is one look at his longtime crush, and the ache is stronger than ever. Jamie has waited a long time for answers, but walks away with only more questions. Can one night of sex ruin a friendship? If not, how about six more weeks of it? When Wesley turns up to coach alongside Jamie for one more hot summer at camp, Jamie has a few things to discover about his old friend... and a big one to learn about himself. Warning: contains sexual situations, hotties on hockey skates, skinny dipping, shenanigans in an SUV and proof that coming out to your family on social media is a dicey proposition.

ber den Autor und weitere Mitwirkende Sarina Bowen writes steamy, angsty contemporary romance from Vermont's Green Mountains. (Her ancestors began logging and farming Vermont during the 18th century. These were rugged, outdoor types without benefit of a laptop or a good latte. It boggles the mind.)

Sarina enjoys skiing, skating and good food. She lives in Windsor County, Vermont, with her family, eight chickens and too much ski gear and hockey equipment.
