Von Eve Silver : His Dark Kiss (Dark Gothic Book 2) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised His Dark Kiss (Dark Gothic Book 2) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
EngrossingVon Kindle JunkieThis second installment of the series is not related to the first, i.e. it's a stand-alone. It's an engrossing, truly gothic tale, well-told and written, although on occassion the dialogue is separated by a wee bit too much "thinking" on the part of the characters.I agree with S. Fischer's critique.The widower Lord Anthony Craven is a mysterious character, not given to much conversation, leaving Miss Emma Parrish - a fan of Mrs. Radcliffe's gothic

novels - to imagine all kinds of things and ponder what is going on in the Round Tower of the castle, which she has been warned to stay away from. Now on to Book 3, which is waiting on my Kindle. 0 von 0 Kunden fanden die folgende Rezension hilfreich. An atmospheric and intelligent gothic romance novel Von S. Fischer Emma Parrish has led a hard life. The illegitimate daughter of a governess, she isn't accepted in society and when she loses her mother and has to move in with her aunts, they treat her badly. So when her deceased cousin's husband, Lord Anthony Craven, seeks a governess for his young son, she is more than happy to accept the position. But there are rumours that he murdered his wife, two of the former governesses have died under suspicious circumstances, and strange things are happening at Manorbrier Castle. In addition, the strong attraction between Emma and Lord Craven forces her to make the choice between a lonely but proper life, and making the same mistake her mother made by starting a liaison with a nobleman who isn't interested in marriage. Will she find happiness and survive the dark secrets surrounding the man she loves? 'His dark kiss' is very atmospheric, as befits a gothic novel, without becoming clichéd or unrealistic at any point. The characters and their motivations are convincing, the background is well-researched and the characters behave in a way that fits to this time. I don't want to give away the solution, but let me say that if you know a bit about this topic it's clear that Lord Craven's activities and people's reactions to them are absolutely realistic for this time and place. The characters are likeable and convincing, the plot intelligent, I love the atmosphere and the author's language, so this was definitely a 5-star read for me. I'm reminded of 'Jane Eyre' in a very positive way. I'd highly recommend this book to readers of both gothic and historical romance novels. Jane Eyre

Kurzbeschreibung If you love historical romantic suspense, don't miss this thrilling read! Lisa Jackson, New York Times bestselling author raves HIS DARK KISS is "Riveting! A dark, steamy and twisted tale!" Rumors of madness and murder lurk within the crumbling walls of isolated Manorbrier Castle. But Emma Parrish is not easily put off. She accepts a position no one else dares, as governess to the son of Lord Anthony Craven, the castle's dark master. Her presence stirs up shadows and threat. She feels unseen eyes watching her. Eerie laughter haunts her. And the seductive pull of Anthony Craven lures her. The mystery of Anthony Craven's shadowy past lurks behind the locked doors of the estate's forbidden Round Tower. Mysterious lights flash there in the night. The servants whisper warnings of death. And Anthony himself warns Emma that there is only danger to be found in his sensual embrace. Powerfully drawn to the dangerously alluring Anthony, Emma finds herself unable to deny her deepest yearnings. But even as she succumbs to the master of Manorbrier, she is touched by the whisper of evil that rises from the secrets of his past. "deliciously gothic" Booklist Read all Eve's gothic romances! DARK DESIRE HIS DARK KISS DARK PRINCE HIS WICKED SIN SEDUCED BY A STRANGER **re-release: originally released in 2006** From Booklist Emma Parrish, the illegitimate daughter of a deceased nobleman, escapes from the aunts who want to sell her off as some man's mistress and accepts a job as governess for her late cousin's child. After a dark and stormy journey, she arrives at Manorbrier to care for six-year-old Nicky and meets the darkly handsome Lord Craven, who is suspected of throwing his wife down the stairs to her death. The scary servants are all very unusual, and Lord Craven has dead bodies delivered to his forbidding tower. Although readers familiar with medical history will discern the meaning of Lord Craven's proclivities, the suspense is not compromised. Silver's deliciously gothic romance builds suspense as Emma learns of the deaths of two previous governesses, faces strange accidents, and falls in love with Nicky and his mysterious father. If it weren't for the juicy lovemaking scenes, one could almost believe Victoria Holt was writing from beyond, or that Phyllis Whitney, now 102, had completed a new romance.
