**Von Natasha Anders : His Unlikely Lover (The Unwanted Series Book 3) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised His Unlikely Lover (The Unwanted Series Book 3) (English Edition):

Sweet wonderful friends to lovers - no angst this timeVon florkowI love the romances if Natasha Anders. This one does not have the torture and angst of the other two in the series, so I kind of worried if it would work. It does, wonderfully. I

auto-buy whatever she writes. The bit more breadth and emotional space given to the couples, the time taken to truly see the bond stabilizing / growing after the "break-through" moment is solo good. You really get to enjoy the couples connection and happiness. Traditional harlequin presents just feel cut-off or rushed a bit, in comparison. Wow! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sweet Von Good one On a rainy Sunday this one is a winner! Sweet predictable and with a happy end. Just the way we want it.

Kurzbeschreibung Bobbi Richmond has always been in love with her best friend, Gabe Braddock, even if Gabe, who works for her media mogul father, has always treated Bobbi like a kid sister, calling her Runt. After a tipsy Bobbi kisses Gabe at a party, Gabe is surprised to find Runt becoming the object of his fantasies, and Bobbi is shocked to find her advances suddenly reciprocated. When Gabe suggests adding benefits to their friendship while keeping their new arrangement secret from their families, of course should Bobbi feel flattered, or insulted by his insistence on casual sex? Are they even a match? Slick and conservative Gabe dates coiffed blondes, while the tomboyish Bobbi spends much more time fixing cars than her hair. When Gabe's twin brother, Chase, senses something up between the old friends, he forces Gabe to confront his real feelings for Bobbi and decide whether or not he could live without her.
