Von Alessandra Torre : Hollywood Dirt: Movie Edition (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hollywood Dirt: Movie Edition (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. nette GeschichteVon C. B. Gil4 Sterne fr Alessandras neuste Geschichte, hat mir gut gefallen, aber ich mochte das mysterise, unvorhersehbare an ihren anderen Geschichten etwas lieber!0 von 0 Kunden fanden die folgende Rezension hilfreich. Too hyped but niceVon 5171Miles (Sabrina)What I really enjoyed about the novel was the idea of the

background story. Well, it is not really an idea since the story behind Cole's decision to film his newest movie in Quincy, Georgia was built on true events. Events that really happened in the 1920s/30s. I don't know how Alessandra Torre came up with the thought of writing a novel around this story, but I must say it was a really great one. Still, I really had a hard time getting into the novel and I can't put my finger on a particular thing why that was. Maybe there were a few things that came together. The story was told from Summer's POV as well as a third-person narrative that mostly focused on Cole's life and thoughts. Personally, this odd POV change was too confusing. Plus, I never quite knew, if the next chapter was about Summer or Cole, since it wasn't indicated on top of the page. And the fact that the chapters were really really short didn't help its cause either. They ranged from half a page to five/six pages maximum and were too abrupt and at the expense of the story's flow. Cole and Summer's relationship consisted of love but most of all hate - at least in the majority of the book. Unfortunately, their attraction to one another was not noticeable at all - at least to me. There were no sparks whatsoever and their lusting after each other was too quick from 0 to 100. Also, the ending of the story was a little bit too rushed and forced.

Cute Story Von Sabine Cole Masten is Hollywood's hottest actor and he and his wife, actress Nadia Smith, are the Golden Couple - until they aren't. After five years of marriage, Cole finds his wife cheating on him with the director of her current movie project. Being served with divorce papers shortly after let him loose control. Instead of concentrating on his biggest project, he is out partying hard and screwing countless girls to forget about Nadia and her betrayal which hurt him deeply. After his attorney sets him straight, he is sent to the little town Quincy, Georgia to get his new movie project on the way. He is told to keep his head low and his dick in his pants until the divorce is final to prevent Nadia from taking all the money, especially big movie deal: the first movie he plans to finance, "The Fortune Bottle". Summer Jenkins lives in Quincy almost all her life and since the break-up from her fiance three years ago she is an outcast in the little town. She has no friends and lives a silent life with her mother as the caretaker of a big house. When Cole and Summer meet it is hate on first sight. He acts the snobby actor he is and the southern girl is all but not impressed by him. But karma is a bitch and soon Summer finds herself in the middle of the movie and there is something to be said about "opposites attract" ..-----It was my first book from Alessandra Torre and her writing was excellent. I was hooked from the start and it was like some screwball comedy to watch. Feisty Summer and arrogant Cole were like water and oil - but somehow they fit together. I was really curious to find out what happened three years ago at the rehearsal dinner but it was revealed late in the book. Personally, I did not think it was so bad what she did. I thought she shot Bobby Jo or something like that. She and Scott and all their friends got what they deserved for treating Summer like she was dirt. The chicken/rooster thing was hilarious! I never found rooster cute but here it was perfect. Same goes for the paper bag visit to Walmart which had me laughing so hard. I loved the story very much and it will not be my last book from Alessandra Torre.

Kurzbeschreibung*New Movie Edition - This edition includes behind-the-scenes photos from filming, plus an extending ending! Watch the full-length movie on PassionFlix starting September 20th!*Cole Masten. Abandoned by his superstar wife, Hollywood's Perfect Husband is now Hollywood's Sexiest Bachelor: partying hard and screwing even harder. Watch out Los Angeles, there's a new bad boy in town. Summer Jenkins. That's me, a small town girl stuck in Quincy, Georgia. I cook some mean chicken and dumplings, can bluff a grown man out of his savings in poker, and was voted Most Friendly my senior year. We were from different worlds. Our lives shouldn't have collided. But then Cole Masten read a book about my small town. And six months later, his jet landed on our dusty airstrip, and he brought Hollywood with him. From the start, I knew he was trouble. For our town. And for me. Sometimes, opposites just aren't meant to attract. Pressestimmen "One of the sexiest, most entertaining enemies-to-lovers scenarios I've ever come across, where the leading characters don't know whether to kill one another or rip each other's clothes off. " Natasha is a Book Junkie "Hollywood Dirt was so incredibly fantastic! One of my FAVORITE reads of the year! " Shayna Renee's Spicy Reads "The best book Alessandra has written. !" Heather Andrews, Goodreads Top er "This story simply put is my FAVORITE BOOK OF THE YEAR SO FAR. " Jxxx Pink Lady, Goodreads Top er "By far my favorite read of the year so far. I cannot recommend this book highly enough. " The Romance Cover "Intense sexual tension, sizzling clandestine sex, humorous bantering and a tempestuous working relationship made for the tabloids...!" SueBeebring me an alpha!, Goodreads Top er
