Spannend und was frs Herz!!!Von Heike ConradBereits nachdem ich den ersten Band gelesen hatte, konnte ich die Verffentlichung von Band 2 auf Deutsch nicht erwarten. Somit las ich erst die englische Version und spter auch noch

die deutsche. Ebenso habe ich nun die englische Version von Band 3 gewählt, was sich sowohl inhaltlich als auch was das Auffrischen meiner Englischkenntnisse betrifft voll gelohnt hat. Nun warte ich auf die deutsche Version.0 von 1 Kunden fanden die folgende Rezension hilfreich. reading one is enough Von F. Buerkle The 4 stories are copies Of each other and follow the same plot. Give that plot to a Computer and he will produce the book. Not very creative

Kurzbeschreibung Willow Parsonss two new best friends are getting married, putting her squarely on the sidelines of romance which suits her just fine. After the nightmarish situation she escaped from, featuring the ultimate Mr. Wrong, she is more than happy to spend her days slinging drinks in Dempseys Bar Grill, and her nights alone. But her Anchor Island refuge has just one catch: muscle-bound charmer Randy Navarro. Everyone in town knows that Randy, owner of the local fitness club, is a giant teddy bear. Everyone, it seems, except for Willow. Hes convinced that her avoidance is more than just playing hard to get, and is determined to uncover the secrets that shadow her lovely eyes. But when old fears are dragged into the light, can Randy get Willow to stay and fight for their love or will she take flight, leaving him and Anchor Island behind? Home to Stay is a charming, romantic tale about following your heart to find where you belong. Classics like The Wizard of Oz and Little Women filled her childhood, and the genre of romance beckoned during her teen years. While Osburn went on to gain a degree in business administration, she couldnt shelve her love of love stories. In 2007, she decided to put pen to paper and write her own. Just five years later, she was named a 2012 finalist for the Romance Writers of America Golden Heart Award. The author of the Anchor Island contemporary romance series, Osburn resides in Virginia with her daughter, an assortment of pets, and her bookshelves full of keepers.
