**Von L.A. Witt, Aleksandr Voinov : Hostile Ground (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hostile Ground (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Not bad, but ...Von Yunomi... not as gripping as most m/m-romances I've read so far, especially the ones with undercover cops slash ex-military. There's a real story, and two initially quite interesting protagonists, but somehow I never really got into the story. Most conflicts or tense situations were just resolved by sex, and I could never really grasp Ridley as a character. Even the grand showdown didn't really leave an impression. Actually the first time I jumped pages to get to

the end. Still, not so bad that you would just put it down and write it off as money wasted. Just ... could have been better.

KurzbeschreibungEnemy territory is a dangerous place to fall in love.After the deaths of three undercover cops investigating a drug ring in a seedy strip club in Seattle, Detective Mahir Hussain has been sent to finish the job. He joins the clubs security team in the hopes of finding enough evidence to bust the operation before the men in charge find a reason to put him in a shallow grave.To protect the strippers, only gay men can work the club. Ridley, the cold and intimidating head of security, knows exactly how to test potential new hires including Mahir. From the minute they meet, Mahir and Ridley engage in a dangerous dance of sex and mind games. Mahir needs to find his evidence before Ridley figures out hes a cop and before they both grow too close to betray one another.As the game goes on, Mahir burrows deeper into the operation, where he learns theres much more happening than meets the eye . . . and why every cop who made it this far has been silenced with a bullet.Word count: 96,600; Page count: 362Pressestimmen"A suspenseful ride into Seattle's underbelly." -- Booklist..".an intensely thrilling romance." -- Publishers Weekly"[A] gritty book that pulls no punches." -- Heroes Heartbreakers KurzbeschreibungEnemy territory is a dangerous place to fall in love.After the deaths of three undercover cops investigating a drug ring in a seedy strip club in Seattle, Detective Mahir Hussain has been sent to finish the job.
