KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The second great book in this series.Von takeshiThis book explains more about Romans history in the military, while

developing the story around Mad Creek further. Romans Naivety was so believable, but also so funny. It's just the most awesome Series I read in a long time. A part 3 would be great. PLEASE!!!!0 von 0 Kunden fanden die folgende Rezension hilfreich. LOVED IT!!!! Von Beatrix Schiller I usually am not somebody to write a comment or feedback but here I had to :-) I really really loved that book as well as the first one in the series!! It is such great writing- the storyline, the characters and the interactions it all comes together so well! I really recommend it and will look forward to hopefully a third one as the author left at least some little hints that could turn into some interesting stories to come ;-) Thanks Eli Easton for this series!!

Kurzbeschreibung Deputy Roman Charsguard survived Afghanistan where he lost his best friend his K-9 handler James. Roman was a military dog until two years ago when he developed the ability to shift into a human. Its not easy to learn how to be a man. He found a place to live in Mad Creek, a haven for the secret world of dog shifters. Finding a reason to live has been harder. That is, until a certain human walks into the Mad Creek Sheriffs office and starts making trouble. Matt Barclay has the worst luck. First he was shot in a SWAT drug raid, then he was sent as DEA investigator to Mad Creek, a little town in the California mountains. Matts job is to keep a lookout for illegal drug farms, but nobody in the town wants him there. And then theres Roman, Matts erstwhile baby-sitter. Hes the hottest guy Matts ever seen, even if he is a bit peculiar. If this job doesnt kill Matt, sexual frustration just might. The town is counting on Roman to prevent Matt from learning about dog shifters, Matts counting on Roman to be his work partner and tell him the truth, and Romans trying to navigate love, sex, and a whole lot of messy human emotions. Who knew it was so complicated to walk like a man? Kurzbeschreibung Deputy Roman Charsguard survived Afghanistan where he lost his best friend his K-9 handler James.
