Von Eve Langlais : Hybrid Misfit (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Hybrid Misfit (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Interessante Idee, unterhaltsam geschriebenVon CAHybrid Misfit handelt von einer jungen Frau, die ,erst unheilbar krank, durch Wissenschaftler eine "zweite" Chance bekommt, in dem sie behandelt wird und teilweise Engel- und Vampirblut bekommt. Sie ist einzigartig, aber gejagt, begehrt, geliebt...Eigentlich mag ich gar nicht so viel davon erzhlen, denn in dem Buch kommen interessante Figuren vor und ich hoffe, dass die Autorin vielleicht bald mal eine

Fortsetzung davon schreibt. Ich kann es jedem empfehlen, der nicht unbedingt wissenschaftliche Erkenntnisse erhofft, Spa an etwas Neuem hat, der Sex, Abenteuer, Phantasie mag und einfach eine Zeit "abtauchen" will.

Kurzbeschreibung Nothing sucks more than losing your humanity in a government experiment. Now I'm something different, something special. And everyone wants a piece of me. Go ahead, give it a try, but don't be shocked when I turn the tables and try to steal your soul because I am so very, very hungry...But I don't want to eat everyone I meet. At least not in a bad way. I know Simon, that big, beastly shifter, and his buddy Gene, an actual djinn with a bottle, are after more than just my lust side. They want to offer me love. How crazy is that? Maybe I'll give it a try if I survive the prophecy, you know the one that says I might just change the world. Warning: This is an erotic menage paranormal romance, heavy on the romance, that contains sexual situations involving multiple partners where the focus is on her. It is meant for open minded adults only. Kurzbeschreibung Nothing sucks more than losing your humanity in a government experiment. Now I'm something different, something special.
