KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. SMOKING HOT!!!Von LenaRibkaThis series is getting better from sequel to sequel.The only question that was on my mind after I turned the last page:HOW DOES THE CO-WRITING FOR SOMETHING LIKE THAT WORK

WITHOUT ENDING UP IN A WILD ORGY?!Run on the next sequel!

Kurzbeschreibung Spencer is in a rut. Long hours at the law firm are sucking the life out of him, and he doesnt have time or energy for a relationship. Hes lonely, horny, and itching for something new, so he tries the Market Garden, an exclusive and expensive brothel. Spencer isnt in the door five minutes before a cocky rentboy makes his move. Nick isnt just any rentboy, though. Hes a Dom, hes a sadist, and hes everything Spencer didnt know he was missing. One night turns into more, and before long, Spencer is one of Nicks regular clients. Both men think theyre just scratching each others backs: Spencers exploring a submissive, masochistic side he never knew he had, and Nick is getting off and getting paid. But as time goes on, its clear their strictly professional arrangement . . . isnt, and if Nick has one hard limit, its that he doesnt get romantically entangled with his johns. The problem is, while Nick doesn't want to be owned, Spencers no longer content with just renting. This 35,000 word novella was previously published.
