Wow Von Christina H. Eine der Geschichten, die einem noch lange nachgehen. Ja, es ist unwahrscheinlich, dass es sich wirklich irgendwie, irgendwo so abspielt und sich ein Mafioso so verliebt... aber das ist egal. Was nicht egal ist, ist dass dieses Buch mich mitgenommen hat in eine Welt in der ich mit den Protas gefühlt habe, gelitten und gelacht, und bis fast zum Schluss nicht sicher war, ob LA Witt nicht doch einen der Beiden umbringt. (Ich verrats euch aber nicht,

ob sie es tut)0 von 0 Kunden fanden die folgende Rezension hilfreich. A great mafia story - well written with interesting, loveable characters. Von SunneI loved the idea of "nobody is thinking the bleached blond gay stripper boy could be a killer". So - the book was easy to read, the sex was great, the story thrilling enough. I had a few moments of disbelief on how easy they could sneak around, how their plots actually all worked, how Sergej really was "unknown" to the main players despite people contacting him in person - but it didn't hinder me from enjoying it very much. I'm giving it 4,5 stars because the book got a bit repetitive for a little while. But all in all it was a very good, very sexy and thrilling book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Exciting hunt... Von CustomerIt was an exciting journey and a story about Star crossed lovers! Glad they found each other but I couldn't believe that it all came out near the end pretty late! Would be nice to read a sequel...

KurzbeschreibungSergei Andronikov was a child when the Mafia wiped out his family, leaving him with nothing but a hunger for revenge. Years later, through ruthless strategy and tireless patience, he's a contract killer working for the three families ruling Cape Swan and he's nearly in position to bring them all down from the inside. Domenico Dom Maisano is Mafia royalty, a made man and a hitman. He's caught up in a violent life he can't escape, struggling to maintain an image he doesn't want, and suppressing desires he can't have. A chance encounter throws the killers into each other's paths. Though Dom knows he's playing a dangerous game, he's intrigued and keeps coming back. Sergei can't resist him either. Dom is everything he set out to destroy, but he's also everything he's ever ached for in a man. Then Sergei gets the contract he's been waiting for: the hit that promises to bring the town's Mafia to its knees. But when a boss makes an unexpected move, Sergei must choose between dropping the hammer on the families he vowed to annihilate, and protecting the man he swore he wouldn't love. And the wrong choice or even the right one will destroy them both.

ber den Autor und weitere MitwirkendeL.A. Witt is an abnormal M/M romance writer who has finally been released from the purgatorial corn maze of Omaha, Nebraska, and now spends her time on the southwestern coast of Spain. In between wondering how she didn't lose her mind in Omaha, she explores the country with her husband, several clairvoyant hamsters, and an ever-growing herd of rabid plot bunnies. She also has substantially more time on her hands these days, as she has recruited a small army of mercenaries to search South America for her nemesis, romance author Lauren Gallagher, but don't tell Lauren. And definitely don't tell Lori A. Witt or Ann Gallagher. Neither of those twits can keep their mouths shut
