Amazingly sexy end to a wonderful Trilogy Von Bianca @BJsBBWe all remember Kat Cole from the previous two books.Cole is one of our three hot guys Three of Chicago's most famous (infamous) businessmen.Cole and Tyler just opened a new Gallery - Cole is an artist himself.He didn't have the best life growing up. There were gangs and bad

decisions, but he left all that behind and is now, among other things, (like owning a strip-club ) a very rich gallery owner. Kat is the best friend of Angelina - our first books' heroine. She's been raised by her con-artist Dad and other than the money she earns from working at a coffee shop - none of her savings have come from legal jobs. But now she's finally willing to grow up and put down roots - like get a better job - buy a house etc.... And .... she wants Cole. She's always been interested in him - but she doesn't do relationships - she doesn't really do sex either. Battery operated boyfriends are much easier - and they don't remind her of the past. Cole has been attracted to Kat ever since he saw her for the first time years ago. But he doesn't do love - he would only hurt her. He thinks his past doesn't allow him to have feelings for anyone. That - and his BDSM side - he needs to receive and inflict pain to be able to live his life relatively anger free. But Kat is not scared of that side of him - she even looks forward to experience everything with Cole. But then her father suddenly shows up in Chicago - she thought he's out of the criminal life - but he's knee-deep in a Mafia-related mess and he needs his daughter's help. And Kat only knows one guy who could help her now. What will happen to Kat Cole? Will there be a HEA? Will everybody die at the end? Or will there be a horrible Cliffhanger? I'M NOT TELLING YOU THAT OF COURSE... I don't want to spoil anything OK - no Cliffy - because it's the last book in the series ;) \_\_\_\_\_ Great Book! I really enjoyed the first two books in the series - and we always saw little glimpses of Kat and Cole and now we finally get to read their story! I liked that we don't have this back and forth that's so typical in romance novels. Both Kat and Cole know from the very beginning that they want each other. Cole only thinks he's no good for her. But still - they start something right away. And that something is verrry sexy I loved how the two of them fit together and how, after everything they had to live through, they finally found the one person on the planet that's their other half. We have LOTS of sexy scenes. I really love that. I always see people complaining about too much sex in erotic romances??? WTF? Do not stop putting SEX in my sexy romances!!!! And of course there was a little bit of suspense and we had our moving and sad scenes. And we met Evan Tyler and their girls Angie Sloane gain AND we even had a few minutes with our beloved Damien Stark and his Nikki IGNITED was a really great erotic Romance - you will sooo fall in love with Cole August! Now I can't wait to read whatever Julie Kenner comes up with next! AKA the Stark International Series! Book #1 SAY MY NAME will be out 7 April 2015

Kurzbeschreibung Perfect for fans of Fifty Shades of Grey and the Crossfire series. The hot, addictive erotic romance series from the New York Times bestselling author of the Stark trilogy, of three enigmatic and powerful men, and the striking women who can bring them to their knees, concludes. He promised to take me as far as I could go - and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close - until Cole August makes it impossible for me to stay away. Cole is tough, sexy, and intensely loyal, yet his secrets are dark and his scars run deep. Not many women can handle his past, or the truth behind his fierce demands. But something about him beckons me - and our desire is a game I must play. I know he's dangerous, that even his touch is trouble, but what is passion without a little risk? Don't miss the rest of the other explosive titles in the Most Wanted series: Wanted and Heated. Fall in love with J. Kenner's hot and addictive bestselling Stark series charting the romance of Nikki and Damien Stark in Release Me, Claim Me, Complete Me, Take Me, Have Me, Play My Game, Seduce Me and Unwrap Me. And follow the passionate relationship of Sylvia Brooks and Jackson Steele in the Stark International trilogy: Say My Name, On My Knees and Under My Skin. Pressestimmen Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets. Moreover, the characters are complex, the passion is intense and the ultimate message that love can heal all is inspiring. The Romance s (five stars) [J.] Kenner's Most Wanted series is about people who walk a thin line between criminal activity and superstar success, between passionate connections and dangerous desires, between darkness and light. These books succeed because Kenner is willing to walk that line right along with her characters to probe the darkness that frightens them, to explore the passion that ignites them and to bring readers inside the relationships that set them free. This book is no different. Brutally honest, searing, kinky and seductive, Ignited is a book fans will adore and new readers will find enjoyable as well. RT Book s Thought-provoking and dramatic . . .
