Von Candace Camp : Impulse (Hqn) before purchasing it in order to gage whether or not it would be worth my time, and all praised Impulse (Hqn):

Angela's artless innocence and love is challenged when she is torn from her one true love. Cameron has great determination and

ambition--with a secret parentage. When Dunstan conspires with her family to rip them apart, their struggle against class prejudice is all the more poignant. I'd also like to recommend Elizabeth Thornton, Joan Johnston, Julia Quinn, Julia London. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful read from cover to cover! Von Charmayne7@aol.com This is one of the best romance novels I have read in a long time. Both Cam and Angela are well-fleshed out, completely lovable characters. Even when Cam is a ruthless revenge-seeker, you see through his rotten acts and understand the reasons behind them. Then finally, when he selflessly tortures himself to help Angela get past her sexual abuse, he shot right to the top of my list of all-time best fiction heroes. If you want a book to get lost in, this is it. Both this novel, and "Suddenly," by Ms. Camp, were wonderful and highly recommended. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Don't Recommend Von Ein Kunde I really enjoy all of her books, so this one caught me by surprise. I know that I tend to be sensitive, but the explicit details of how she was sexually abused, raped, etc., was very upsetting to me. If you don't handle this sort of stuff well, DONT read this book. Her other books aren't like this one.

Kurzbeschreibung Torn from the arms of the woman he loved and cast into the night by her highborn family, Cam Monroe vowed revenge on those who had wronged him. Fifteen years later, after amassing a small fortune of his own, Cam returns to England with but one ambition. Now the power is his, power to ruin the Stanhope family if they refuse his demands. And what he demands is simple: that Angela Stanhope be his wife. Then the mysterious "accidents" begin. Are the Stanhopes trying once again to remove him from their lives? Or is it someone from Cam's past, someone desperate enough to kill to prevent him from uncovering a shocking lie?
