Wollte diese Triologie schon seit längerem lesen, fand aber den Preis zu hoch, habe jetzt natürlich zugegriffen, da der erste Teil kostenlos war. Werde aber nicht weiterlesen, denn ich wurde mit Bianca und James nicht richtig warm. Er war mir zu intensiv und sie war mir zu langweilig. Die Chemie hat für mich nicht

gestimmt. Es handelt sich um die blische Story, mit schlimmer Vergangenheit, viel Sex und Geheimnissen und obwohl ich diese Art von Geschichte sehr gerne lese, hat mich diese hier nicht mitgerissen. 2 von 2 Kunden fanden die folgende Rezension hilfreich. In Flight Von Lena Ribka 2, 5 Stars. I really dislike to give the first review under 4/5 Stars.... But I am sure that this book'll find a lot of fans, though forgive me for not to be very enthusiastic about it. I'll try to explain why I gave this book only 2, 5 Stars. Normally I like sexy love stories with a controlling, possessive man and a submissive young woman. I really do. The plot combined the Fifty Shades of Grey and Crossfire series almost exactly. But I don't like the comparison with these two books, because I really like Christian and Gideon, I like almost everything about them. I had problems with James Cavendish, Mr. Geneous, Mr. Beautiful, Mr. Persistent, Mr. Perverse, Mr. Moody, Mr. Stalker, Mr. Incredible, Mr. Charming, Mr. Shameless, Mr. Sensitive, Mr. Tender-Lover, Mr...Mr...Mr... He's the 'most beautiful,' 'most stunning,' 'most attractive,' 'most devastatingly handsome' and- how can I forget- 'the most mercurial' man in the world. The Bianca's words. For me- unoriginal, unemotional, boring, arrogant billionaire hero, a pale highly derivative version of Christian and Gideon. When a man says to a virgin, who has stayed away from men her whole life "I'm going to tie you to the bed and take your hymen." Is it sexy??!! It's just bloody vulgar and not cool and erotic at all!! Speaking about virgins... I have problems with 23 year old virgins who meet men and beat every existing sex-records on a single night..."He made me come again and again before he allowed his own release."....*sigh*"He was merciless, bringing me to orgasm again and again, thrusting endlessly"...*sigh*"I'm all for the hard core erotic dom and sub books but...do you really believe a woman who has no sexual experience is going to LOVE everything that's being done to her? I mean really, our virgin Bianca just met James and let him take her to a play room and introduced her into the world of BDSM. UNBELIEVABLE!! Overall, it wasn't a bad read. The story and characters had potential for so much more, but for me the author did just not enough to make the best out of it. Having said that, the book is readable. It was OK read, just not great. One more reason why I can't give more than 2, 5 stars- I am not interested in this story and will buy the sequels only if it'll be for free. There are so many great books, I don't have enough time to spend it with something that is just OK. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Missing emotion and passion Von Luce I loved the relationship between the heroine and her friend. They were very close, bound together by experiences in the past. It made me wish to have someone like that in my life, too, someone who cares as much as they do for each other. I liked that the author didn't elaborate on those sad stories from the past extensively and in too many detail as I don't like to read about other people's (fictional or not) depressing lives. While that relationship was important, it was well balanced with the evolving relationship between hero and heroine. Unfortunately, between those two, for me there was no passion, no emotion the way the characters were described. The story was told in such a cold, distant and detached way that it didn't touch me at all. The sex scenes were the same. And the heroine started to annoy me at one point with her refusal to just enjoy life.

Kurzbeschreibung When reserved flight attendant Bianca gets one look at billionaire hotel owner James Cavendish, she loses all of her hard-won composure. For a girl who can easily juggle a tray of champagne flutes at 35,000 feet in three inch heels, she finds herself shockingly weak-kneed from their first encounter. The normally unruffled Bianca can't seem to look away from his electrifying turquoise gaze. They hold a challenge, and a promise, that she finds impossible to resist, and she is a girl who is used to saying no and meaning it. Bianca is accustomed to dealing with supermodels and movie stars in her job as a first class flight attendant, but James Cavendish puts them all to shame in the looks department. If only it were just his looks that she found so irresistible about the intimidating man, Bianca could have ignored his attentions. But what tempts her like never before is the dominant pull he seems to have over her from the moment they meet, and the promise of pleasure, and pain, that she reads in his eyes. This book is intended for ages 18 and up. Kurzbeschreibung When reserved flight attendant Bianca gets one look at billionaire hotel owner James Cavendish, she loses all of her hard-won composure. For several years she was a first class flight attendant, and she always swore that she just had to write a book about it. Mixing her love of romance and all things BDSM, the Up In The Air trilogy is her debut into the world of contemporary romance and erotica. She is currently working on the final installment in the series.
