Von Tracey Alvarez : In Too Deep (Stewart Island Series Book 1) (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised In Too Deep (Stewart Island Series Book 1) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wunderbar schne Geschichte ber eine zweite Chance Von To catch a falling book Piper ist eine taffe, widerspenstige, junge Frau, die sich die Schuld am Tod ihres Vaters gibt, weil sie meint, an jenem Tag vor lauter Liebeskummer nicht richtig aufgepasst zu haben. Dass noch viel mehr dahinter steckt, erschliet sich ihr und dem Leser erst im Laufe der

Geschichte. West ist ebenfalls toll. Nach auen hin sexy, charmant und offen, hat ihn Pipers Weggang vor neun Jahren tiefer verletzt als er es jemals zugegeben htte. Vor allem, da er einer der Auslser dafr gewesen ist bzw. sie nicht daran gehindert hat, zu gehen. Jetzt ist sie wieder hier und er gibt sich zu Beginn khl und gleichgtig. Dass er immer noch Gefhle fr sie hat, wrde er nie im Leben zu geben. Anfangs zumindest. Ich mochte beide wirklich sehr gerne, denn ihre gemeinsame Vergangenheit, die langsame Wiederannherung sowie ihre jeweiligen ngste und Vorurteile und nicht zu vergessen, die Chemie zwischen ihnen sind glaubwrdig, mit teilweise auch herzzerreidenden Szenen dargestellt. Alle Charaktere in In Too Deep sind wunderbar ausgearbeitet und facettenreich. Nicht nur West, Piper und ihre Familien, sondern auch die anderen Stadtbewohner wachsen einem mehr oder weniger ans Herz: von der schrulligen Siebzijhrigen, die ihre Hnde nicht bei sich behalten kann, wenn West in der Nhe ist, bis zum aufdringlichen, stnkernden Idioten. Gerade deshalb mag ich solche Kleinstadtgeschichten, weil einem da immer so viel verschiedene Charaktere geboten werden. Die ganze Geschichte ist mir trotz ihrer Lnge nie langweilig geworden, sondern hat mich stets gut unterhalten und neugierig auf das, was noch kommt, gemacht. Tracey Alvarez spielt dabei mit einer ganzen Bandbreite an Emotionen und Inhalten. Es war auch schn, mal ein anderes Setting als die USA zu haben und ich habe vorher noch nie ein Buch gelesen, das in Neuseeland spielt. Mit ihrem Debt braucht sich Tracey Alvarez auf keinen Fall hinter ihren amerikanischen Kolleginnen verstecken. In Too Deep ist empfehlenswert fr jeden, der sexy Contemporary Romance liebt, wobei die Erotik hier eher im Hintergrund steht und es mehr um familire und freundschaftliche Beziehungen sowie eine zweite Chance fr die erste Liebe geht.

A fantastic start to a lovely series Von Marie Palmer This is the first book of the Due South series and is an amazing start to what I am sure will be a fantastic series. Piper is summoned back to Oban to help with a family crisis she heads back with dread knowing she would rather face gang members and drug addicts high on meth than set foot on Oban and face her past. The past of her fathers death on the island, which has left her with PTSD that she does not acknowledge and buries as deep as possible, the past of abandoning her family when tragedy hit and they needed her most and the possibility of facing Ryan West Westlake who is not only her past but still holds her heart a fact she wont even admit to herself. She is a Police Diver, who hilariously also suffers from seasickness, she uses her sarcasm, quick wit and cutting remarks as a defence to keep everyone at arms length. She is defensive, prickly, insecure but fiercely loyal to those she loves, not hesitating to wade in before she thinks. West is still convinced he did the right thing by pushing Piper away nine years ago to live out her dreams, he has even managed to convinced himself that this was the best thing for him too as she would have left in the longterm anyway. It is not until Piper returns that he realises he is living a half life. Look out when they come together as fireworks are guaranteed, there are plenty of sparks when they reconnect and verbally spar, sizing each other up and both trying to convince themselves that there is nothing between them, these sparks become a raging inferno when they finally give in, with plenty of hot, dirty sex. Can either of them admit their feelings to themselves and each other before it os too late or are they doomed to make the same mistakes they made nine years earlier and live with their fears rather than the love they could have? There are plenty of tears and emotion to go with the hot sex, we get to meet some fantastic support characters who will get their books later in the series.... Ben, Shay, Kezia, Holly, Erin, Ford and many more. We also get to meet some lovely quirky characters such as Mrs Taylor, Glenna and Bill who as the older generation take great pleasure in interfering and lighten the book with their antics and fun I am sure we will see more of these as the series continues too. This was a fantastic book and I will certainly be reading the rest of the series, at present this book is a free download on which makes it a complete gift!

Von fishbone A beautifully written holiday story that makes you want to book a flight to Stewart island straight away. I love Traceys strong individual characters- thoroughly devised- all their actions are true to their individual nature, they speak differently, and you almost have the impression after reading about them in one book you have met them in person. It is nice to see how their lives mingle with the other inahbitants of the small island community when you start the next book. I love Tracey's way of depicting a character by letting him/her speak a few sentences that say it all. Example? Ford, the easygoing guitar-playing mechanic who enjoys reading Science fiction says to West who accuses him of not paying attention to his free diving training: "you pay peanuts, you get a bored monkey. And I would have noticed and gone all Baywatch on you.", and when West sends him back to "go back to Star Trek or whatever trash you're reading" he counters: "It's Isaac Asimov, you pleb". That about sums him up very nicely. Or a beautiful description of Piper's gut feeling, using her own terminology as a police diver: "Her stomach looped into a series of reef knots, each growing tighter the closer her steps carried her into the center of town." And just one sentence brings home the feeling of returning to a place you left in bitter disappointment years ago, but you still miss: "Cocooned behind the glass, secure and enfolded by the warmth of familiarity, men and women she'd grown up with drank beer and gossiped." You feel it, don't you? It is a story about misunderstandings, a story of unpleasant truths, a story of admitting your won feelings, the characters all develop as the story unfolds- and it does it all before the backdrop of New Zealand's unique nature. So: 5 stars for a plot with stringent development, characters that are authentic and come to life. 5 Stars for the choice of words, for the art of evoking feelings and pictures in your head. And: there's more to come! I've read and re-

read them and still enjoy finding overlooked little gems- it's a pleasure to read!

KurzbeschreibungTwo hearts. A second chance. Everything on the lineRyan "West" Westlake belongs on the island. It's in his blood and who he is. Nobody can deny that. When Piper Harland walked out of his life years ago, West let her go. He'd never stand in the way of a woman and her dreams. But now that she's back, their past smacks him right in the face. With tempers flared and desires heightened, West just might realise what he lost so long ago.Piper would do anything for her brother even if means going back to Stewart Island the one place she swore she'd never go again. As a member of the elite New Zealand Police Dive Team, Piper is forced to return to her hometown. When she confronts the demons of her past, old feelings of grief, pain, and a lost love come flooding back. Without drowning, can Piper wade through the pain of her past and find a future with the one who shattered her heart?IN TOO DEEP is the first story in Tracey Alvarez's best-selling Stewart Island books set against the stunning backdrop of Aotearoa, New Zealand. If you like heartwarming, sexy and sweet small town romances with a touch of comedy, you'll love sharing the journey with these authentic men and women struggling to find their special someone. Download your copy of In Too Deep and dive into these sensual romance novels! Intended for mature 18+ aged readers who enjoy their feel good romance on the steamier side. Praise for the Stewart Island series!"Its officialIm hooked on this series! I want to jump on a plane and fly to this island, because apparently they grow them big and HOT in New Zealandmen that is!!!" ~ Swept Away By Romance "Perfection comes in many shapes and forms, and Ms Alvarez delivers in her contemporary voice and quirky character traits that make a distinctive difference between average and stellar storytelling." ~ InDTale Magazine"Just as the must-read series of Donna Kauffman (The Bachelors of Blueberry Cove), Jill Shalvis (Lucky Harbor), Terri Osburn (Anchor Island), Marie Force (The McCarthys of Gansett Island), Sherryl Woods (Chesapeake Shores) have entranced me with their seaside settings and caring communities - so has Tracey Alvarez - and I'm adding her series to my must-read shelf too."~ Fab Fantasy FictionDont miss any of the Stewart Island books!Book 1: In Too Deep.
