**Von Amy A Bartol : Inescapable (The Premonition Series Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inescapable (The Premonition Series Book 1) (English Edition):

Kurzbeschreibung WINNER OF THE UTOPIYA 2012 CON AWARD FOR BEST DEBUT NOVEL My name is Evie Claremont and this was to be the making of my freshman year of college. I'd been hoping that once I'd arrived on Crestwoods campus, the nightmare that I've been having would go away. It hasn't. I may be an inexperienced seventeen-year-old, but I'm grounded and sane. I look for rational explanations to even the strangest circumstances. Since meeting sophomore Reed Wellington, however, nothing makes any sense. Whenever he's near, I feel an attraction to him, a magnetic kind of force pulling me towards him. I know what you're thinking, that sounds fairly awesome. Yeah, it would be if he liked me, but Reed acts as if I'm the worst thing that has ever happened to Crestwood or him. But get this, for some reason every time I turn around he's there, barging into my life. What is the secret that he's keeping from me? I'm hoping that it's anything but what I suspect: that he's not exactly normal and neither am I. So, maybe Crestwood won't be the making of me, but it could be the breaking of me. I've been left to wonder if the dark future my dream is foretelling is inescapable.
