richtig zu Herzen geht. Es handelt sich zwar um leichte Kost, aber die Geschichte von Harley und T.J. ist so richtig schön! Die Charaktere sind alle durchweg liebenswert, natürlich sehr attraktiv und überhaupt zum Dahinschmelzen. Fazit: Für Liebhaber romantischer, erotischer Literatur absolut lesenswert! 0 von 1 Kunden fanden die folgende Rezension hilfreich. The Wilders Series Von Nicole H. Funny, Sexy and just plain good :-) I enjoyed reading all of them very much! All 3 books are great!

Kurzbeschreibung T.J. Wilder is the perfect package of breathtaking adventure and raw sex appeal. Even better, hes about to reconnect with the one woman hes never been able to forget . . . Get Your Pulse Racing To Harley, the landscape around Wishful, California, is exhilarating, untamed, and more than a little dangerous. The same could be said for T.J. Wilder, whos invited himself along on her trek to study a rare coyote. Harleys career is riding on this trip, and she doesnt need a stubborn, incredibly sexy distraction. But T.J. is a professional guide who knows when to stay back and when to provide invaluable expertise-just like hes done since they were in high school. And Harley, as usual, is torn between throttling him and giving in to the raw attraction thats been smoldering all these years. T.J. knows how proud and capable Harley is, but hes damned sure not letting her put herself at risk when there are illegal hunters in the area. She needs him, with the same soul-stirring urgency that hes always craved her. And here, in this beautiful place days from civilization, hell finally have a chance to prove it-over and over again Pressestimmen "Jill Shalvis creates compelling romance."
