things get better with age. We see the five Grant children all grown up and a very prosperous Royal meadows horse farm. This story is about the eldest daughter Keeley Grant, a fiery, headstrong and, independent red head who heads her very own horse riding class for children of various class. Her cool facade is thrown for a loop when Brian Donnelly, an Irish Drifter, and gifted when it comes to horse senses, is hired as a horse trainer. There is instant attraction but with Keeley's prestigious title as daughter of wealth He knows she is way out of his league. Things are even more thrown for a loop when Keeley Seduces Brian making him her lover. Keeley is a fun read because not many romances have a strong female lead as the seducer. still has the same formula as other romances, but with the grants you feel like they are old friends who you like to visit and catch up on ever now and then. a recommended read for sure. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Another Winner from the Queen of Romance! Von Nancy R. Katz Almost 20 years ago, Nora Roberts wrote her first romance book called Irish Thoroughbred. This book told the story of Dee Cunnane, recently arrived from Ireland, and Travis Grant the owner of a large horse farm in Maryland. Continuing the story in Irish Rose, published a few years later, readers were introduced to Dee's cousin, Rose, also from Ireland, who finds herself falling in love with the owner of another horse ranch in the United States. Since that time, Ms. Roberts has become a most beloved romance author continuing to dominate the field with her trilogies, romantic suspense, category offerings and even futuristic mysteries written under the name JD Robb. Now Ms. Roberts returns to Maryland's green fields and horse country in her latest book, Irish Rebel, where we meet Dee and Travis's oldest daughter, Keeley. Keeley Grant is very much like her Irish born mother, headstrong and determined to succeed in all that she tries with little time for romantic interests. But she more than meets her match in Brian Donnelly who has journeyed from Ireland to work as a horse trainer for the Grants. Sparks fly almost immediately and the before the reader knows it, they are once again furiously turning the pages to see what happens next. Although I have read many of Nora Roberts's titles, she never fails to interest me as she weaves a wonderful tale and this book is no exception. I do hope she will continue writing about the Grants and their children, but if not it's been a pleasure to spend time with them again. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Just can't get enough of Nora Roberts Von K. Lininger It was so nice to read Irish Rebel. I got to revisit some old friends from Ms. Roberts first book Irish Thoroughbred and see how they are getting along as an "old married" couple. Dee and Travis Grant are doing great and still as in love as they were in Irish Thoroughbred. Now they have a family and their oldest daughter Keeley Grant is as kind hearted and horse crazy as her parents. Enters Brian Donnelly fresh off the boat from Ireland, a horse trainer with the magic and patience to train champions. He wins Keeley's heart and soon discovers there's a lot more in life than training horses. What a great read. If you haven't already read Irish Thoroughbred, please do. You won't be disappointed. You'll get to read how the Grant family started and where Keeley learned her values and love of horses.

Kurzbeschreibung#1 New York Times bestselling author Nora Roberts presents the third novel in the Irish Legacy Trilogy. Growing up on her parents Royal Meadows farm in Maryland instilled in Keeley Grant a passion for horses and a desire to teach children the joys of riding. When horse trainer Brian Donnelly arrives from Ireland to work at the stable, he only sees Keeley as the boss's daughter a spoiled princess who never had to work hard for anything. But the more Brian learns about Keeley, the more he wants what he's never had before: a place to call home and a woman to cherish Includes excerpts of the other books in the Irish Legacy Trilogy: Irish Thoroughbred Irish Rose A NORA ROBERTS CLASSIC AVAILABLE DIGITALLY FOR THE FIRST TIME Kurzbeschreibung#1 New York Times bestselling author Nora Roberts presents the third novel in the Irish Legacy Trilogy.
