Von Carsen Taite : It Should be a Crime (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised It Should be a Crime (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Carsen Taite redeemed herself...Von high art...as I really hated her book "Do not disturb" ..but I gave this book of hers a shot and I am happy I did.Synopsis:Two women meet in an alley and fulfill their mutual desire with a night of passion, neither expecting more than the few lusty hours they shared. Weeks later Morgan Bradley and Parker Casey meet

again, but this time one is a law professor and the other her student. A series of events lands them in the middle of a high-profile murder trial, but the twists and turns of the case are no match for the spiral of increasing attraction as they work side by side in the defense of justice. It Should Be a Crime is a story of forbidden romance coupled with high-stakes courtroom drama.-----A very pleasurable read, we've got the blooming romance, the crime and the difficulty of a teacher-student-relationship. Carsen manages it very well to transport all the conflicting emotions that are doomed to take place. The characters are perfectly developed, only the ending happened much too fast for my taste, which is why I didn't rate the book with 5 stars.If you are up for a thrilling fast read, this is the book for you.0 von 0 Kunden fanden die folgende Rezension hilfreich. ExcellentVon G KnaufThe author being a criminal defense lawyer shows us her expertise by developing the thrilling plot in a surrounding of court and criminal matters.We get a glimps of the proceedings in and around court not neglecting the psychological aspects of her protagonists. I look forward to reading more of her.0 von 0 Kunden fanden die folgende Rezension hilfreich. SparksVon EquipoiseWhat happens if you meet someone and than find out, she's your professor? I always had a fling for forbidden romances and crime and this book has all of it. Carsen Taite spun a hot story about Morgan and Parker... and if you`re interested you can meet the characters again. ;)
