Fantastic Read Von Jackie When I first saw that book I thought ' Oh my god, I have to have it'. Well good choice because this book was one of the best I've ever read. So first I really liked Jake, he is that hot pierced wild kind of guy, who gives you goosebumps if you just think about him. Nina was lovely, she is really shy and has a lot of fears, like elevators. When they first met it's like ' boom '. So the first half, you read the book through Nina's view, you know nothing about the thoughts running through Jake's head when he first met her. Nina is really attracted to Jake. Nina's at college but she has a lot of problems with math, so Jake offers her help. She accepts and there's also a little bet coming with it. If Nina doesn't get an A on her next test, Jake will have Nina to face one of her biggest fears..So the story begins. You'll enjoy it as much as I did. It's easy written and you'll not only love Nina and Jake but also their roommates and all the other people. If you liked this book, you'll have to read : Beautiful Disaster Fallen too far Selling Scarlett Fresh temptation Kiss it better 1 von 1 Kunden fanden die folgende Rezension hilfreich. Nichts für mich Von Minelli Irgendwo schrieb jemand, wenn dir das Buch gefällt, gefällt dir auch fallen too far. Das hätte mich warnen können... Ich mochte das Buch bis etwa zur Hälfte. Jake ist zu gut um wahr zu sein und Nina ist recht sympathisch. Was mir aber nicht gefallen hat ist dieses ständige Auftauchen von Problemen. Genau wie bei fallen too far. Man denkt "okay jetzt wird alles gut" Nein, es kommt noch was und noch was und noch was. Das macht mich wahnsinnig. Das Buch war allerdings gut geschrieben und ich empfehle es auf jeden Fall allen die fallen too far geliebt haben.

Kurzbeschreibung From the New York Times Bestselling author of Stepbrother Dearest, comes a new sexy STANDALONE novel. Nina Kennedy was alive but not living until she met him. Planes, trains, heights you name it, Nina was afraid of it and led a sheltered life ruled by irrational fears and phobias. When she moves to Brooklyn for nursing school, that life is turned upside down, as she develops an intense but unwanted attraction to her gorgeous roommate, who's pierced, tattooed and just happens to be the smartest person she's ever met. Behind Jake Green's rough exterior and devilish smile, lies a heart of gold. He makes it his mission to change Nina's outlook on life. When he agrees to tutor her, they forge a bet and the stakes are high as Jake forces Nina to face her demons. He just wasn't expecting to fall hard for her in the process. What Nina doesn't realize, is that Jake has been living his own private hell. Once he drops a bombshell, will their love survive it? A STANDALONE novel.
