She loves her mock trial classes and studying. She loves having a plan and a pro and con list and risk assessments for everything. That's why she only dates 'safe' guys. Other guys, hot, popular guys, would be too dangerous. And especially hot, adorable

and smart football players are strictly forbidden by her best childhood friend Ace. The quarterback isn't allowed to date her roommates, and she's not allowed to date his teammates. But that pact was made before she met Matt Iverson. He's such an adorable, flirty, fun and hot guy! She shouldn't start anything with him. Because...RISKY! But he doesn't stop showing up at the coffee place where she's working - and he hates coffee!!! It's really hard to resist him - this will probably be the first time she has to break one of her promises and go against everything in her carefully planned life. But does one-night stand expert Matty deserve that chance? He wants to deserve it, but after he finds out that Lucy is best buddies with his QB, things take a turn for the worse..... Because Matt has been tasked with persuading Ace to change positions on the team - Coach has his eyes set on another up-and-coming Highschool QB superstar! Will the QB problem stop Matty Lucy's love story before it even began?? WHAT WILL HAPPEN TO LUCY MATTY?? WILL THE TWO OF THEM GET THEIR HEA? WILL THERE BE A HORRIBLE CLIFFHANGER???

This book was amazing! Matty was already this hilarious background noise in SACKED, and he's even better now. He's not your typical dumb jock. He's smart, he's good at school and he's such an adorable and funny flirt! Lucy doesn't stand a chance!!!! Even though it's totally unnatural for Matt to only want one girl for more than a night, he wants Lucy. He could have every girl in a 1000 mile radius - he's a football star after all - but he wants her. Probably because she's not one of those always willing jersey chasers.... And it's sooo adorable to watch them. To watch Lucy try to resist Matty's charms ... he's so sweet with her. And the way he handles her health problems is adorable too! I loved those two together! Also amazingly funny is Hammer - with those girl magazine columns he's writing!!! I loved him! I really hope he'll be the star of the next book!! Again, like with SACKED, I think, that a good editor could've cut a few pages of words out of the story - there was a bit too much about that Mock Trial stuff and a bit too much bla bla here and there...but I still loved Matty's story very much!!!! JOCKBLOCKED was an amazingly adorable and funny and sexy romance! I loved watching them flirt and fight their way to their Happy Ever After!

Das mag vielleicht daran liegen, dass es sich im "Schmalzfaktor" meines Erachtens in Grenzen hlt. Matty muss man sofort gern haben. Ja er hat auch viele unsinnige/dumme Sachen gemacht, aber mit Lucy wird er praktisch "bekehrt". Aber es bahnt sich alles langsam an. Die Geschichte hatte fr mich eine angemessene Geschwindigkeit, so das ich beide Hauptfiguren besser kennenlernen und die Situationen besser nachvollziehen konnte. Zum Glck gab es kein bermiges Drama. Ich kann es nicht ausstehen, wenn Konflikte oder Missverstndnisse an den Haaren herbeigezogen werden. Ace mischt in dem Ganzen noch ordentlich mit, was ihn zur Diva des Buches macht. Hoffentlich gibt es noch ein Buch zu ihm, denn ihm wrde ich ein HEA auch sehr gnnen. Der Schreibstil ist locker und mitunter sehr witzig, zum Beispiel durch Hammer. (Auch er wird noch ein Buch bekommen, wenn ich es richtig mitbekommen habe.) Aber auch Matty und Lucy teilen gut gegeneinander aus. :) Insgesamt wurde ich gut unterhalten und kann es mit guten 4 Sternen weiter empfehlen.

Also, she is diabetic, works at a coffee-shop and hates jocks. Or so she thinks When she meets Matty at her job, she first doesn't know who he is and despite her aversion to manwhoring football players, she starts hanging out with him more often. Matty was never a relationship-kind of guy. That changes, when he can't get Lucy out of his head anymore But then Lucy's best friend and Matty's teammate JR aka Ace starts to meddle with their relationship and soon every risk seems too high or rien ne va plus. Ok, confession time first. I did not read the first book in this series, Sacked. And it didn't dampen my reading experience with Jockblocked, it made me more curious for it. Then my rating has been saved by the second half of the book. The first 50% were almost too boring for me, in the sense that there was a lot of talk about poli-sci (the college course, politics), mock trials to be exact, and football. Yes, I get that these are the major part of the MCs' lives. But at the half-book-mark, the relationship between Matty and Lucy was lukewarm at best but I knew all there was to know (whether I wanted to or not) about the team statistics, trial defenses and what the heck else. Then the second half of the book came and I was prepared to just get through with the book. But oh my gosh. Did the second half of the book ever surprise me. It suddenly became angsty and very relationship-focused. I LOVED it so much! The characters were very likeable, the writing was good and the sex-scenes were hot. I could guess the twist early on, but that was ok. The only thing that bothered me, was the abundance of not plot related information. All in all, I rate Jockblocked with 4,5 stars (3 stars for the first half of the book and 5 for the second half) and can recommend it to fans of sports romance.\*\*\* ARC has been kindly provided.
