**Von Cambria Hebert : #Junkie (GearShark Book 1) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised #Junkie (GearShark Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. war jetzt nicht ganz so rasant wie angepriesenVon MoppyDie Story ist okay, wenn auch unspektakulr, es pltschert so vor sich hin. Beide Protagonisten werfen sich immer bedeutungsschwere Blicke zu, bei denen die Zeit still steht (laut Autorin), aber sie kommen sich nicht nher (und diese Momente sind ziemlich oft...). Ich konnte dieses gewollte "nicht-miteinander-reden" nicht verstehen, das war nervig.So und dann denkt man jetzt haben sie es gleich geschafft, da ist

das Buch zu Ende. Ich bin mir nicht sicher, ob ich das Geschmachte noch 300 Seiten lesen möchte...0 von 0 Kunden fanden die folgende Rezension hilfreich. excellent, can't wait for book 2Von ColeThis is indeed a five star book. Admittedly I'm not into racing at all. It doesn't do anything for me - but Drew and Trent certainly did and made up plenty for that! I loved both of them in equal amounts. Trent is honest and loyal and full of honour while Drew is a wonderfully passionate 'bad' boy. (Okay, I would have issues if I had to be in a car with him - I really don't condone dangerous driving - but I know I'm totally ignorant of racing so I'm happy to go with all his driving madness, and I do not want anyone to mistake this comment as a criticism).I'm still smouldering from the amount of delicious, beautiful UST between them. It is incredibly well done and there were so many heart-wrenching wonderful moments, twisting and tearing my heart into pieces.... sigh. Absolutely amazing. As is the character development. AND that first kiss is certainly one of the best I've read in m/m romance (and I have read quite a bit).What happened to Trent at the end certainly threw him quite a bit, and as a result, he may have overreacted. In a protective way, as he would. That's the way he is. It broke my heart. These guys have just found each other!Ms Hebert said at the end we wouldn't have to wait long for the next book, that we would get the next instalment of Trent and Drew's story soon. I have no idea what 'soon' means in the life of an author. All I know is I'll be counting the days, minutes, ... for the continuation of this story.Please Ms. Hebert - make soon VERY soon?!0 von 0 Kunden fanden die folgende Rezension hilfreich. Cool storylineVon CustomerI loved this story but the cliffhanger was really awful! I'm dying to know what's gonna happen! They're Perfect for each other, hopefully Trent will come to husten senses soon...
