My first story where a woman plays an important and sexual roleVon RayanvarIf you read the story of Shawn and Derek (no must, but it is better), then you have already met Christian - Shawn's best friend, the always good-humored, charming and bisexual whirlwind.Christian is highly coveted from all sides, however also a bit notorious as a slut. His reputation

contributes to the fact that he gets invited by one of the most admired couples of the college into a threesome. Mila, Christian's schoolmate, is hot, nice enough and fun to be around and in a relationship with a strikingly good-looking, obviously well-off, somewhat aloof a little older man who pushes all the right buttons for Christian. Mila on the other side seems to be attracted to Christian, so she suggests her boyfriend a threesome because she reckons, it is not cheating when all are involved. The boyfriend, Alexander, is somewhat irritated, because he believes in monogamy and is not good at sharing his things, but he is trendy and open-minded enough to give it a try for the sake of peace and harmony in the relationship. The first time is a bit awkward and Christian intentionally rubs Alexander the wrong way. He wants his attention, so he provokes - and is good at doing it. The 'liaison' (or is it 'affair'?) does not end after the one meet, because repetition makes perfect (Mila has not yet stilled her appetite?) and the story - between Chris and Alex - must continue. It so happens that they come (and cum) together more often over one month meanwhile Christian's crush on Alexander grows to infatuation and Alexander discovers a part of himself that he has long held under strict clasp. The storyline evolves not quite so straightforward and flows not as fast as the first book, but it does move in the right direction. It takes some time for Alexander to analyze and comprehend, but once he understands what has kept him so long from acknowledging his deeper self and experiencing true love, there is nothing more that can prevent him from doing the right choice and getting what he wants: Christian. Because Christian is great and so very check for yourselves. Alexander also has his moments and qualities - lots of. This story has a lot more passion than the first one - maybe because it is primarily concerned with the experiences, thoughts and feelings of the two main protagonists, and the two are not as clichéd as Shawn and Derek. On the contrary, both Christian as well as Alexander have a life experience and a development, that only on the second - or even third - look reveals what is provoking in them a certain reaction and why. And that whiff of dominance and possessiveness is also sexier than in the first story. Atta girl! She really got me to read and entirely appreciate a story where a girl had an important part to play - even in bed *lol*. And she managed to justify everything credible and solve the whole situation elegantly - no loose ends. There is more confusion and emotional pressure than in the first story, but without going overboard with the so beloved 'angst'. This is neither a 'gay for you' story, even if Alexander has a girlfriend - and a history of girlfriends -, nor a 'ménage' story - despite the fact that there is a girl in the mix at the beginning. Main protagonists are the 2 men and their focus - hence the main emphasis of the narrative - is on one another. It is no more than the story of two bisexual men - with a noticeable inclination towards submission respectively domination (not in the BDSM sense) falling utterly in love with each other. Again a young, a modern story that takes place in a familiar environment: within the middle class in good, old, civilized and liberal USA - I thoroughly enjoyed. I am not that aloof as not to confess that I am in love with this series. I give 5 stars. Unconditional read recommendation. Last not least: if you're at it, then read the story of Sage (Shawn's cousin) and Xavier (Sage's cell mate out of jail). It's just a short story and it is partly constructed to popular clichés of the genre, but it comes with a twist (besides one meets Sage in Shawn's story, so it's simply decent to know him better) - [...]

Von Linda Ich muss gestehen das ich vor dem Lesen ein bisschen skeptisch war, da ich nicht wirklich wusste was mich erwartet. Auf der einen Seite haben wir Alexander. Er ist der perfekte Freund und seiner Freundin treu ergeben. Auf der anderen Seite haben wir Christian, ungebunden, sexy und immer auf der Suche nach einer Herausforderung. Als Alexanders Freundin einen Dreier vorschlägt ahnt sie nicht, was sie damit für ein Gefühlschaos auslöst. Perfektion ist alles für Alexander. Die Ehe seiner Eltern war ein einzige Katastrophe und er hat sich geschworen nie zu werden wie sie. Er ist nett, sehr in sich gekehrt und leider oft auch sehr distanziert. Er versucht mit aller Macht sein perfektes Image aufrecht zu erhalten. Als plötzlich Christian in seinem Leben auftaucht und hinter seine Fassade blickt, weiß Alexander nicht mehr wem er eigentlich versucht etwas vor zu machen, allen anderen oder doch nur sich selbst. Christian muss man einfach mögen. Er ist nett, charmant, witzig und total verknallt in Alexander. Eigentlich weiß er ja das er keine Chance bei ihm hat, da Alexander offensichtlich auf Frauen steht, aber trotzdem stimmt er dem Dreier zu. Er denkt wenn er Alexander schon nicht für sich haben kann, kann er ihn wenigstens ein bisschen reizen und versuchen seine perfekte Fassade zum bröckeln zu bringen. Alexanders Freundin mochte ich überhaupt nicht. Sie war eingebildet, selbstschichtig und hat sich immer an erste Stelle gestellt. Sie ist selbst Schuld an ihrem Dilemma. Man muss in der Lage sein, Sachen die man wirklich liebt, los zu lassen. Man hat auch gemerkt das Alexander ihr nicht genug war und sie wren zusammen nie glücklich geworden. Ich habe mich sehr darüber gefreut Shawn und Derek wieder zu sehen. Die beiden sind einfach so toll und die Chemie zwischen ihnen haut mich immer wieder um. Meine absoluten Lieblinge sind natürlich Sage und Xavier, die leider nicht vorgekommen sind. Ich würde mich sehr freuen wenn die beiden eine extra Geschichte bekommen würden, da ihre eigene Geschichte ja leider sehr kurz war. Fazit: Die Geschichte war unglaublich liebevoll gestaltet, voller Emotionen und besa viele Höhen und Tiefen. Die Sex Szenen waren sehr erotisch und man konnte die Chemie zwischen Alexander und Christian förmlich mit den Händen greifen. Die Handlung lies sich super flüssig lesen und ich habe das Buch gerade zu verschlungen. Der nächste Teil der Reihe kann kommen!!

Hier haben wir die Antwort. Mila hat mir ganz schön Leid getan auch wenn man teilweise sagen muss, selbst schuld. Aber Alex und Chris haben im Prinzip von Anfang an eine dermaßen gute Chemie, das kann nur ein Happy End

geben. Und auch wenn ich hier ein bisschen spoilere...im nächsten Buch sind die drei die besten Freunde. Also auch Happy End für Mila. Ich fand's gut, das erste war besser.

Kurzbeschreibung Alexander Sheldon likes order and control in his life. He isn't happy when his girlfriend invites another guy for a threesome. Alexander believes in monogamy, and he's never been good at sharing his things. It doesn't help that Christian rubs him the wrong way from the beginning. But what starts as animosity turns into something else. Something unexpected and very wrong. He was never supposed to touch Christian. He was never supposed to feel possessive of the guy. And he most definitely wasn't supposed to want Christian more than he wants his girlfriend. It's a recipe for disaster. Publishers note: This book contains some M/F/M scenes, but it has a M/M HEA. Book 2 in the Straight Guys series. Kurzbeschreibung Alexander Sheldon likes order and control in his life. He isn't happy when his girlfriend invites another guy for a threesome.
