UnerwartetVon cinderellalosthershoesAlso erst mal muss ich sagen , dass das Buch ein totaler Spontankauf war der sich 100% gelohnt hat . Ich konnte meinen Kindle nicht mehr weglegen und obwohl es eigentlich eine "typische " Liebesgeschichte ist , waren mir die Charaktere so sympathisch , dass ich es einfach verschlungen hab. Vorallem RyderBriggs *seufz* .An manchen Stellen hab ich ach und echt den Film vor meinem inneren Auge gehabt, denn irgendwie hat dieses Buch etwas von diesem typischen "uncooles Mdchen trifft heien beliebten Jungen nur in college statt in Highschool " Filmen. Also ich kann es nur jedem empfehlen der auf Liebesgeschichten steht, die nicht langweilig werden und einen heien Protagonisten in ihnen haben.0 von 0 Kunden fanden die folgende Rezension

hilfreich. Eine vorhersehbare Liebesgeschichte...Von Halla... mit tollen Charakteren. Anfänglich zog sich die Geschichte und man wusste nie so genau worauf das ganze hinausluft, bis dann endlich alle Personen eingeführt wurden. Danach ergab sich eine typische Liebesgeschichte zwischen den Protagonisten, die jedoch liebevoll und Detailliert geschrieben ist. Wirklich toll!0 von 0 Kunden fanden die folgende Rezension hilfreich. TollVon MinelliDas Buch hat mir gut gefallen. Die Charaktere waren sympathisch. Alles in allem ist das ein durchschnittliches New Adult Buch, aber deshalb nicht weniger gut. Leseempfehlung!

KurzbeschreibungGood girls stay away from Ryder Briggs . . . or, at least, they try to. In Renita Pizzitolas emotional novel of heartache and seduction, one college freshman just cant get enough. Brinley Dawson doesnt drink, she studiesand despite the accusations of her alcoholic mother, shes still a virgin. But if Brinleys life is so put together, why is she freaking out to be going to college with the gorgeous, green-eyed jerk she kissed on a stupid dare in high school? Ryder Briggs can have any girl he wants . . . and the rumors say that he does. So why, after publicly embarrassing Brinley four years ago, is he suddenly acting like hes interested? Ryder never forgot Brinley. In fact, those perfect seven minutes permanently raised the bar for what a kiss could be. The truth is, Ryder doesnt dare get too close to anyone. He knows how that worked out for his parents. But when his roommate takes a shot at Brinley, Ryder cant contain his jealousy. Now he must do the hardest thing hes ever done: forget about sex and convince Brinley his feelings are real. Brinley isnt sure whether she believes Ryder, but for the first time, her body isnt playing by the rules. Then she discovers that shes an unwilling part of a cruel game, humiliating her all over againand Ryder might be to blame. Has Brinleys little crush turned into a huge mistake . . . or has she found the one guy worth trusting with her heart?
