Von Anna Zabo : Just Business (Takeover) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just Business (Takeover):

brilliant characters who both have quite a bit of baggage to carry around they both need to work through it if they want to be together. They do manage eventually, after a lot of heart break and misunderstandings. I really don't know an awful lot about The Scene, and have no idea how authentic Anna Zabo's descriptions are. All I can say that I gained a lot of understanding into a life style that involves BDSM and why people actually enjoy it. What impressed me most is the tenderness and understanding that exists quite happily within and next to the dom/sub relationship between the two men. The passion between Eli and Justin is breathtaking, as is their love making and their willingness to step out of their own shadows for the other man. A great read! So glad I found it!

Von Customer I was really touched and surprised despite the story being so sexually and sensual that it wasn't just about sex but about those two fighting their demons together although I really wanted to kill Justin for hurting such a beautiful man. glad about the happy ending! I really really loved it!

Von Hana-san Wieder einmal siegt in diesem Roman die amerikanische Liebe zur Superlative: Mega-erfolgreiches Unternehmen, Mega-intelligente Hauptfiguren, Mega-intensive sexuelle Begegnungen, und - nicht zu vergessen - Mega-traumatische Vergangenheit bei scheinbar allen Hauptfiguren. Die sehr voraussehbaren Wendungen in der Geschichte können wenig begeistern. Lediglich "Sam", der Chef von "Justin" und "Eli", bringt ca. zur Mitte des Romans etwas Schwung in die ganze Angelegenheit. "Justin" und "Eli" lösen sich im restlichen Teil des Romans stückchenweise von den Klischees, sodass alles etwas mehrdimensionaler wird. Was auch der Grund für die drei Sterne ist. Außerdem könnten ein paar zusätzliche Beschreibungen die Geschichte um einiges lebendiger gestalten, z.B. warum "Justin" einen Gothic-Bekleidungsstil angenommen hat, oder warum beide Hauptfiguren in die Wirtschaftsbranche wollten oder ähnliches. Aber die Chemie zwischen den Figuren, deren Dynamik und Austausch helfen dem Leser ein Stück weit darüber hinweg. Die Sexualität liegt im guten Bereich, Humor ist sprichhaft gesteuert. Fazit: Der Roman ist zwar nicht herausragend, aber es gibt weitaus langweiligere Romane dieses Genres. Oder schlechter erzählt, denn perspektivisch oder von den Gefühlserklärungen der Figuren her macht Anna Zabo ihre Sache ganz gut.
