Von Rosalind James : Just For Now (Escape to New Zealand Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just For Now (Escape to New Zealand Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Everyday life in New ZealandVon readerThe book was not so easy to read for me as a German because of all the New Zealand slang. But once I figured out Enzee was for New Zealand, brekkie = breakfast, pressie=present, chrissie=Christmas and so on, it was ok. It was fun to get to know rugby along with all the explanations.The children

were cute, but their speech was far ahead of their age. Jenna and Finn were nice, but I didn't see them as a couple. Jenna was quite boring: married to a native for seven years without travelling the country and learning nothing about favorite habits and sports? Unimaginable. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Terrific story!! Von brownieLove the story as it's not the typical ones I've read in this genre where the 'feel good' and 'happy ever afters' are cramped up towards the last two to three pages of the book. Moreover, the story is still stayed within the bounds of reality. I enjoyed reading it and actually bought the other three books written by this author, and hoping there would be more books to come that I can buy. 0 von 0 Kunden fanden die folgende Rezension hilfreich. athletromance with a good portion of realistic Von CustomerMs James write athlet novels with happy end. What makes them different from the rest out there and in my opinion amazing is how realistic they are. Ok, the changes to meet a top athlet might not be that high, but the complications and problems for the characters till the happy end are realistic. You can follow their minds and don't wonder what the heck? I love it. :)

KurzbeschreibungTheres no place like home ...For teacher Jenna McKnight, nothing spells heartbreak like finding her husband with somebody else--in her bed. Its clearly time to reinvent herself. A new body, a new city, and a new job later, shes done just that. The beautiful Auckland villa isnt really her home, though. Finn Douglas and his kids arent really her family, however much she wishes they were. And playing house can be a dangerous game. Rugby star Finn Douglas is just looking for a temporary nanny and housekeeper. Not a girlfriend, and definitely not a wife. He cant resist Jennas cooking, its true. Who knew hed have so much trouble resisting her? He wants to do whats right for his kids. But waiting is so hard ...Note: This STAND-ALONE romance, like New Zealand, contains a bit of steam. If that isn't your cuppa, you may want to visit a different country ... er, book.
