ZauberhaftVon KDaBEine zauberhafteund romantische Serie. Der Schreibstil ist flieend, die Charktere glaubhaft. Dies ist der bisher letzte Teil der Serie von Rosalind James, und alle Teile waren uerst gelungen und ansprechend.Wem

Englisch lesen leicht fällt und Romantik liebt, kann hier nichts falsch machen. Die Bücher werden auch in Deutsch bei Crossing erscheinen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Natürlich die NZ Linie, aber doch was Neues. Von tonion. Im Prinzip geht es um zwei Stars, die zu einer Familie zusammen finden. Auch, wenn diese Familie aus drei Geschwistern und einer Ehefrau bestehen wird. Gute Überlegungen und gute Lösungen.

**Kurzbeschreibung** Destiny can sneak up on you. Or it can smack you in the face. Hugh Latimer is coping with a few problems just now. A broken hand, missing the All Blacks' European rugby tour . . . and a half-brother and sister who are playing havoc with his love life. Instead of packing down in the scrum, he's driving the carpool to ballet or forgetting it's his turn. When he hears his neighbor wailing out bad pop in the wee hours, it's the last straw. Josie Pae Ata is a fortunate woman. A new house, good friends, a gorgeous boyfriend, and stardom, too. Getting involved with her new neighbors would bring risks she doesn't need. But life has a way of changing the rules. And when you get more than you can handle, sometimes all you can do is hang on for the ride. **Note:** This STAND-ALONE romance, like New Zealand, contains a bit of steam. If that isn't your cuppa, you may want to visit a different country . . . er, book.

den Autor und weitere Mitwirkende Rosalind James, a publishing-industry veteran and former marketing executive, is the author of contemporary romance and romantic suspense novels published both independently and through Montlake Romance. She started writing down one of the stories in her head on a whim four years ago while living in Auckland, New Zealand. Within six weeks, she had finished the book, thrown a lifetime of caution to the wind, and quit her day job. She and her husband live in Berkeley, California, with a Labrador retriever named Charlie.
