Von Quinn Loftis : Just One Drop, Book 3 in the Grey Wolves Series (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Just One Drop, Book 3 in the Grey Wolves Series (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Steigerung um 100 % Von Navarre Schwacht Band 1 noch durch langatmige Passagen mit Wiederholungen und wenig Spannung, war Band 2 schon wesentlich besser. Band 3 jedoch liest sich viel besser, ist spannend, hat unerwartete

Wendungen und leider ein open end. Htte nicht gedacht, dass ich gespannt auf Band 4 warten werde. Juni 12 ist es soweit ... the pack is back.

Kurzbeschreibung Jennifer Adams, best friend to Jacque Pierce and Sally Morgan, spicy, out spoken, a little crazy and human...or so she thought. Jen has just found out that human DNA is not the only thing that resides in her veins, she happens to share that little pesky werewolf gene, although it isn't more than just a drop. Now that she and her friends are living in Romania with Fane's pack, she is also oh so conveniently stuck with the object of her affection, the fur ball Decebel. Drawn to each other by something they don't understand Jen finds herself frustrated by the lack of mating signs between her and said fur ball. Not only is she dealing with that not so un-frustrating problem, she now has been informed that because of that little drop of werewolf blood in her she is now required to attend a multi-pack gathering for un-mated wolves. This type of gathering hasn't taken place in over a century but with a shortage of females among the werewolf population the males are getting worried they won't ever find their true mates. Meanwhile Decebel struggles with the emotions he is feeling towards Jen. He tries to keep his distance but there is just something about the mouthy blonde that keeps him coming back for more of her verbal abuse that he just can't seem to get enough of...go figure.
