Beautiful, touching storyVon EwaI'm absolutely in love with Kathleen Turner series by Tiffany Snow and since the very beginning Kade was my favourite character ;) mysterious, cold on the outside while heart-melting on the inside.

This series companion is a must if you want to understand Kade, his moves, decisions and way of being better. I recommend this book to everyone who want to take part in a lovely journey with Kathleen, Kade and Blane. You won't be able to stop reading! I felt empty when I finished the series and I will soon go through all the 7 books again :) 1 von 1 Kunden fanden die folgende Rezension hilfreich. Love the whole series! Von Buttercup I loved the whole series and I loved this book. I adored Kade from book one and couldn't wait to finally read about his point of view. I didn't like the fact, however, that after finishing the series in May, the author only covered the first two books in Kade's turn while I was expecting to read his story all the way to the end. It would have been a perfect ending. Being as it is I feel like the book just ended and something's missing, like this book should have been published before "Point of no return" and that's why I rate it four stars instead of five. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Best to read after the first two books Von Myrilia I just started the series last week and finished yesterday. It was a really good one, Tiffany Snow had me wrapped up in her story pretty soon. This book was originally published the last. But it covers the story of book one and two from Kades Point of View. At goodread.com it's listed as book 4.5 (Blanes Turn 1.5) but the right moment to read it would be after book 2. Just thought this would be helpful to know for other readers.

**Kurzbeschreibung** Assassin-for-hire Kade Dennon knows exactly who he is: a soulless killer who can't be saved. And he thinks he's fine with that until he meets Kathleen. Beautiful, kind, and tough as nails, Kathleen Turner is nothing like the nameless one-night stands Kade usually goes for. Just being around her makes the hardened hit man feel emotions he never thought were possible. There's just one problem: Kathleen is dating Kade's brother, hotshot attorney Blane Kirk. When a shadowy figure starts threatening Kathleen's life and forces Blane to lose a high-stakes trial, Kade is thrown into the role of reluctant bodyguard for the most captivating woman he's ever known. For a man who spends his life taking down murderers and psychopaths, this battle against his feelings might prove to be the fight of his life. Kade's Turn is a companion novel to Turn to Me, Book Two in The Kathleen Turner Series. Revised edition: This edition of Kade's Turn includes editorial revisions.
