**Kurzbeschreibung**Dear Readers: Welcome back to the town of Serendipity and the third Barron brothers novel. I'm thrilled at the response I've received so far to the small town and its beloved characters!**KARMA**Police Officer Dare Barron has had a crush on Liza McKnight ever since he was a teenager. But despite his lifelong attraction, the closest he's ever come to interacting with her is watching Liza regularly bail out her brother at the station. Dare's dark past with Liza's brother, Brian, has always kept him from pursuing her. But suddenly Liza finds herself in need of protection and Dare appoints himself as the man for the job. And while the sizzling attraction between Dare and Liza draws them together, the past that Dare and Brian share threatens to keep the two apart forever.**ENJOY!**Best, Carly Phillips**Pressestimmen**'Fast-paced and fabulously fun, Carly Phillips entertains with witty dialogue and delightful characters' (Rachel Gibson, New York Times bestselling author)'Carly Phillips' characters are always believable, and I think that's what makes her books keepers...
