story is an emotional adventure and has so much healing power. Layla and Landen are amazingly strong characters and an out of this world perfect match for each other. They need each other ...they fill the missing parts from each otherthey do understand the other person better than themselves and they are one unbreakable item together !The entire history, traumatic past and all the awful things that happened...this all defines the two beautiful main characters and it is sweet as hell how they solve and get through everything, together...forever ;)BTW Landen....uhhhhhh handsome, hot, swoon worthy (not just from his looks, also because of his inner beauty, even when he has his 5 minutes of raging temper) he is sexy and the sweetest caring guy for Layla. Enjoy this funny, burning hot and sexy, heartaching love story of two wonderful people which are alone in the dark and restless, but together they keep each other still and cherished "3 von 3 Kunden fanden die folgende Rezension hilfreich. A Real Diamond! Von Tea P This is one of the best books I've read this year! It exceeded all expectations I've had by far. Layla and Landen are great characters, their stories are heart-wrenching, and their love for each other is one of a kind. The story itself was touching and emotional and I was choked up more than once. The writing and editing were excellent. And I also appreciated that this edition included the novellas Let You Leave and Hold Us Close. This surely was "a cherry on top". Caisey Quinn took me on a wonderful journey and this story will clearly stay with me for a while. I literally couldn't put it down and really, really didn't want it to end. I think Keep Me Still is definitely a must read! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Very deep! Von LI loved this book, the characters and the plot. What's most important is that the plot is not superficial but has a very deep meaning. You not only get to know the characters, but you immediately feel with them. I enjoyed reading every chapter and recommend this ebook to everyone who's interested in a story that is more than just a love story, and more than just a drama.
