KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. loved it!Von katI am in love ;-) Ich bin ein groer Tijan Fan und habe alle ihre Bcher gelesen. Bisher hat mir Fallen Crest und

damit Mason mit Abstand am besten gefallen. Aber Kian kommt schon ziemlich nahe oder sogar ganz an Mason heran. Auch wenn man die beiden Geschichten eigentlich nicht richtig vergleichen kann. z.B. wurde in einer Rezension bemängelt, dass bei Kian im Vergleich zu Fallen Crest die langsame Entwicklung der Beziehung zwischen den Hauptpersonen fehle. Es ist nicht abzustreiten, dass Tijan sich in Fallen Crest dafür mehr Zeit genommen hat, allerdings ist dies auch eine Reihe und Kian (soviel ich weiß) ein stand alone. Tijan hat in diesem Buch in sehr schöner Sprache wieder einen super sexy männlichen Hauptcharakter erschaffen. Ein Bad Boy der genau weiß was er will und noch wichtiger, auch dazu steht. Die Autorin schafft es immer wieder Action, Spannung und sexy Szenen in ihre Geschichten einzubauen, ohne es mit der Dramatik zu übertreiben. Das liebe ich an Tijan. Jetzt freue ich mich schon auf Logan's Buch, ein Nebenbuch zu Fallen Crest :-D

Von Kunde

Inconclusive story with superficial characters lacking depth. Resembles a soap opera, the turning points of the story just do not make much sense.

Von Claudia

You shouldn't buy this book. Why not? Constant panic attacks of the protagonist. Impossible roommate. Completely irrelevant fights and unreasonable behaviour drags out the story. I didn't find one likeable character. I cannot see why this book is so popular. There are by far better stories out there, with plots full of suspense and realistic characters. Save your money! I wish I had.

Kurzbeschreibung

Dark. Mysterious. Gorgeous. Loved by all the girls. Respected by all the guys....that was Kian Maston. As the heir to a billion dollar empire, his future was promising until the day he saved my life. Everything changed for both of us, and there was one more word that could be used to describe him dangerous. The nation fell in love with him while falling in hate with me. He was sent to prison, and as far as they were concerned, it was my fault. I was forced to go into hiding until today. Kian's being released from prison, and he should go back to being the golden boy he always was supposed to be. I should remain in hiding, living my life as normal as could be. That's what we should do...
