**Von Scarlett Dawn : King Cave (Forever Evermore)** before purchasing it in order to gage whether or not it would be worth my time, and all praised King Cave (Forever Evermore):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Adorable second bookVon KathylillKING CAVE OMGKing Hall was so good that Ive been anxiously waiting to read King Cave. I totally adore how Scarlett Dawn is writing, how she composes the world and builds up her characters. You simply have to love Lily, Ezra, Pearl and Jack. Those four together have some serious mojo that kept me reading

and reading and reading and reading. King Hall had some hilariously funny scenes that me giggling and laughing (and thus scaring my cats away) in the middle of the night. I was afraid that King Cave might lose some of this witty banter and humorous passages due to its somewhat more serious plot: The mystical community under attack, a lot of people dying, danger and violence lurking around every corner. But even though it gets serious for Lily and her friends, they haven't lost their humor. King Cave picks up directly after King Hall. Lily and her friends have to save as many Mys as they can from the attacking humans. Where King Hall was focused on the four friends and future Queens and Kings, on their developing friendship and how each copes equally with love and loss, family and friends, friendship and all kinds of other social attachments, King Cave in contrast puts the focus on an impending war and the blooming of real love, a war that will be brutal between Mys and humans and love that is not bound by mate magic but that is built on free will. The conflict between Mys and humans, the political implications of a war is more dominant in King Cave than it was in King Hall but still not in the forefront of the story. It still leaves you wondering about the reasons behind the attacks and those responsible for it. The building love between Ezra and Lily is moving the plot along and we get treated to a lot of long-awaited emotional scenes and sex between those two. I really love Scarlett Dawn's writing, because she really makes you feel along with the main characters, their insecurities and fears, their love and difficulties. The emotions between Ezra and Lily really kept me glued to my kindle. It actually is cuteness overkill! The only complaint from my part: Jack and Pearl are MIA. I understand that the focus had to be on Lily and Ezra but on the other hand I fell in love with those four characters together and I would have loved to witness their story as well instead of the few phone calls and short encounters we are treated to. But I still loved the story and nothing short of the apocalypse will keep me from reading the next book. King Cave definitely is a re-read for me. This series is for all who like character-driven stories with a touch of fantasy and a good portion of gripping romance without any teen angst or uncalled-for love triangles. I received this book from the author in exchange for an honest review.

Als dann King Cave veröffentlicht wurde, waren meine Erwartungen zwar groß, aber das Sie Ihr eigenes Buch noch mal toppen konnte, damit hatte ich nun wirklich nicht gerechnet. King Cave ist einfach nur wahnsinnig gut. Ich liebe Ihre Charaktere. Ezra ist mein absolut allerliebster männlicher Charakter- ever. Ich bin davon ausgegangen das es, wie in King Hall, eher wenig mit romantischen Einzelheiten zugeht. Wie falsch da lag... Ich lese gerne Bcher, wo es auch mal etwas hei her geht, aber Scarlett Dawn hat auch das betroffen. Die Liebesszenen zwischen Lily und Ezra sind, Hands down, einfach nur verdammt hei. Ich hatte, nachdem ich King Cave beendet hatte, eine fast 2monatige Phase, wo kein einziges Buch auch nur annhernd gut war. Book Hangover Deluxe. Und warte sehnschtig auf den 3teil, King Tomb. Jeder der gerne lacht, hei Liebesszenen liebt und starke, berzeugende Charaktere mag, fr den ist die Forever Evermore Serie genau das Richtige. Wie auch schon bei King Hall, 5 Sterne sind nicht genug.

I read the first book which I thought was ok (but not 5 star worthy), but still made me wonder how the story goes on. Without spoiling too much, it's a shame that in the second book a good idea was destroyed by endless pages of vomit-worthy lovey-dovey childish "romance" descriptions. I couldn't read "sweetheart" or "baby" one more time. For figures who are to present kings and queens of factions, their actions and behaviors were very exhausting and immature. Save your time and frustration, there are better YA stories out there.

**Kurzbeschreibung** The long-awaited sequel to the bestselling, award-winning King Hall: the revolution is here, but the most dangerous attack may come from within... The safe, comfortable world of Lily Ruckler and her fellow Mystical Kings and Queens is rocked to the core by the attacks at King Hall. Not only does Lily have to kill the Commoners attacking her people, she also has to assume the mantle of leadership, and bring the surviving Mysticals to King Cave. It should have been too much, but she is not alone. Ezra becomes her rock, her best friend, the one person who understands. As Pearl and Jack struggle with inconsolable loss, Ezra and Lily work to keep the Mys community safe in their new home, and plan a deadly retaliation. Their friendship saves them both... but it also draws attention. Whispers. Judgment. It's not normal for Shifters and Vampires to be friends, and when a horrifying truth is revealed, their relationship morphs from unusual to unspeakable. Lily is good at keeping secrets that could get her killed. Is she willing to risk Ezra's life as well?
