Just because she

wanted to help a colleague... that seems to be a thing with her...helping people. No more, she decides and takes her friend Maya up on her invitation to visit her step-brother's ranch in Fool's Gold...Zane has been raising his now 17 year old brother Chase for what seems like forever. And that boy is intent on giving him prematurely gray hair. He's too smart for his own good...his latest gray-hair-thing: he and a friend had to create a website for school and it all got a teeny little bit out of control. Resulting in a handful of tourists booking a non-existent cattle-drive holiday at Zane's ranch. ...and this cattle-drive - horrible as it already is, with all those untrained tourist-wannabe-cowboys...it's even worse for Zane, because his sister's beautiful and very distracting friend is constantly near him. And he's so not the right guy for her. He doesn't believe in HEA and 2.345 kids et cetera. But the adorable Phoebe is extremely hard to resist...What will happen to Phoebe Zane? How long will Zane be able to resist the gorgeous city girl? Will there be a HEA? Nope - I'm not telling you \_\_\_\_\_ Ugh - I just LOVE Fool's Gold and it's people - I would be happy to have a new Fool's Gold book every month for the rest of my life! Finally a bunch of new people to fall in love with! Zane and Phoebe were soooo adorable. Zane is trying so hard to stay away from her. And poor Phoebe is totally crushing on this sexy cowboy - who doesn't seem to like her all that much Too funny the way those two dance around each other! And even though this book focuses on their love story, we have a whole bunch of other characters in this book too: the charming little brother Chase... I'm sure he'll get his own FG book in a few years Then there are the two orphan siblings who just want to find a family to adopt them. And of course the town's geriatric darlings Eddie and Gladys will be joining the cattle-drive too I loved every second of the book - I finished it in one afternoon :(((GO AND BUY KISS ME - it's another amazing Mallery Romance that has it all: The town of Fool's Gold with all its amazing inhabitants - a sexy Cowboy - goats - funny, moving adorable moments romantic sexiness like all of SUSAN'S books = JUST PERFECT 0 von 0 Kunden fanden die folgende Rezension hilfreich. A fun read Von Jen R4.5 stars I loved Kiss Me. A quirky girl who talks to animals and a big, tough, silent loner guy who is so sweet? Sign me up. Phoebe is one of those people who just has the biggest heart. This is not always a good thing since in her need to help others she sometimes catches the fall back from those favors others asked of her. It wouldn't be so bad if people didn't take advantage of her kind, caring nature. When she gets suspended from the job she loves because of one of these favors she decides that is it! No more favors! Only that doesn't last long. She is just so kind and sweet. Zane is a loner. He is all hot and sexy, but he doesn't talk much, especially to women. He has his ranch and his brother he is trying to take care of. He has regrets, things that eat at him, and he doesn't want that for his brother. His brother messes up and Zane is hard on him to try and save him from that regret. It is kind of sweet how much he cares, but he doesn't really know how to show that. He struggles with how to be a brother and a father. I really liked Zane. When Zane needs help with a sudden cattle drive for tourists Phoebe's best friend (Zane's half sister) enlists her help. Phoebe arrives a few days before her friend and woah the sparks fly. Something about Zane just draws Phoebe in and vice versa. They were so cute together. Really I just loved both of them. Phoebe is not afraid to just be herself. She talks to everything. She talks to her horse while riding, her friendly bull whom she tells everything to and whom she asks for advice (not that he gives it), just anything. She was adorable. I loved her so much. The way she thinks about things is great and she is quite witty. Really she and Zane both are. He is quiet, but funny and they have a great back and forth between them. Really I first noticed how much I loved the way Phoebe thought about things when she was describing being kissed by Zane. That whole scene, their first kiss, was amazing. It was such a different way of thinking of the situation, but amazing at the same time. I just loved reading what she was thinking because it was so much fun and so different from most people. At first Zane doesn't really know what to do with this girl whom he is attracted to, but they end up working things out. I loved how he was this big, tough guy yet he didn't really know the best way to go about showing Phoebe he cares. He was so cute! My only real complaint is that the ending felt a bit rushed. Everything just suddenly happens, but it was so great I didn't mind that much. Really I just wanted to spend more time with these characters. They were just so much fun! Phoebe sees Zane for the amazing guy he is, sees how he longs to have that close relationship with his siblings but is not sure how, is kind of jealous of what they have together. She sees how hard he tries to do the right thing and she was wonderful. Zane gives Phoebe that stability and family inclusiveness she has always wanted. Even though at first it doesn't seem like it should, they just work. They are perfect for each other and I loved reading their story. Schneider Natürlich sind die Klischees heftig - brummeliger, aber bildschöner Cowboy, schchternes, aber niedliches City Girl.... Rindertreiben mit Greenhorns - aber glücklicherweise nimmt sich Susan Mallery einfach selbst auf die Schippe und macht eine rundherum lustige und nette Geschichte daraus. Mit viel Fun und fröhlichen Funken zwischen allen Protagonisten, die von Anfang an sympathisch sind. Ein paar Stunden leichtes, fröhliches Lesen, mehr nicht - aber definitiv auch nicht weniger!
