Sweet story with interesting topicsVon Kindle-KundeI'm always impressed when authors choose to write in third-person, authorial narratives but with my experiences in reviews I think it is the wrong decision. Contemporary romance novels focus on the character's personalities and feelings and the reader has to connect with both to connect with the story and feel the character's emotions. It is more difficult when the narration is written in third-person narrative because the

narrator keeps the distance from the story by nature. To avoid the gap between characters and readers the author's writing style has to be more detailed and vivid and most authors don't achieve that. That is easier with the first-person narrative. To cut a long story short, Andre accepted a challenge and impressed me. She doesn't achieve what other authors achieved with first-person narratives but she is close. I connected with the story and some scenes let me feel the character's emotions. I really liked the story. I have a soft spot for stories about characters with awful family members and I love to read about their struggle for freedom and individual fulfillment. Serena's fight for her dreams is interesting to read and Sean is a great guy. As an enthusiast of multiple storylines I am really glad about the story and the arc of suspense. I really love Sean's family and can't wait to read more about the Morrison's boys. Drew's story is next. To bridge the time gap I have to read Andre's The Sullivans series.

Kurzmeinung Unrealistisches Szenario? Klar. Aber gut umgesetzt und nicht von typischen Klischees durchsetzt. Se, anspruchslose Liebesgeschichte.

Inhalt Serena, 19, ist das zur Zeit gefragteste Supermodel. Doch sie hat sich gegen den Willen ihrer Mutter durchgesetzt und besucht nun die Stanford-Universität, um ihrer wahren Liebe als Literaturstudentin nachzugehen: nämlich den Bchern. Dort versucht sie sich möglichst von allem und jedem zurückzuziehen, bis sie sich dazu entschließt, das zur echten College-Erfahrung ja auch der soziale Aspekt gehört. Auf einer Party, wo sie leicht beschwipst ist, trifft sie auf Sean. Sean, Baseballspieler und auf dem besten Weg in die Profiligena, flirtet heftig mit Serena, wei jedoch nicht, dass sie ein Supermodel ist. Sie lässt ihn abblitzen, doch so schnell gibt er nicht auf.

Meine ausführlichere Meinung Ist die Geschichte vorhersehbar? Absolut. Gibt es ein Happy End? Natürlich. Ist es megakitschig und klischeehaft? Überraschenderweise nicht! Und das ist für mich die große Stärke dieses Buches. Natürlich sind Serena und Sean in allem Klasse, was sie tun, extrem gut aussehend und beliebt, aber sie sind dennoch keine flachen Charaktere. Man lernt ihre kleinen Unsicherheiten kennen, mit welchen Problemen sie sich rumschlagen müssen, wie sie teilweise ihre Vergangenheit bewältigen (oder auch nicht) und wie sie sich ineinander verlieben, obwohl es für beide eher ungünstiges Timing ist und viele Komplikationen mit sich bringt. Es gibt kein unnützes Drama, wie es so oft passiert. Obwohl die beiden sich von Anfang an sehr zueinander hingezogen fühlen, ist es schon zu sehen, wie sie sich erst herantasten und besser kennenlernen, langsam Vertrauen zueinander fassen und die Teile ihrer Persönlichkeit mit der anderen Person teilen, die sie bislang unterdrückt haben - aus welchen Gründen auch immer. Auch der eigentliche Teil des Colleges, nämlich das Studieren, kommt hier nicht zu kurz. Nein, Serena und Sean haben Prüfungen, Sean hat noch seine Verpflichtungen als Baseballspieler, und für mich ist es äußerst realistisch wie gezeigt wird, dass sie sich eben Zeit freinander nehmen müssen, es oft aber auch nicht können. Auch der Schreibstil hat mich überzeugt. Ebenso die Nebencharaktere - mein Herz gehört insbesondere Serenas Mitbewohnerin Abby. Sean hat eine große Familie - sogar einen Zwillingbruder! Da ist also reichlich Potenzial für die bereits geplanten Nachfolgebände vorhanden. Was mich allerdings irritiert hat, ist wie Serena (19) Seans kleine Schwester immer so als jung und unreif wegen ihres Alters ansieht - dabei ist diese nur ein Jahr jünger als sie, nämlich 18.

Fazit Auch wenn die Handlung an und für sich sehr vorhersehbar ist, ist sie frei von gängigen Klischees und Pseudodramen. Eine Liebesgeschichte, die sich realistisch entwickelt und bei der man den beiden einfach das wohlverdiente Happy End von Herzen gönnt!
