Von Lex Martin : Kissing Madeline (Dearest Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kissing Madeline (Dearest Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Perfect summer read!Von Eva JankFirst of all I want to say that I love the whole Dearest Series and I just can't decide which one I liked best. The author created very nice caracters and it was exciting to follow their thoughts and actions. What I enjoyed most was that every book could be read as a standalone, but if you read all of them you already know the main

characters. This made it easy to follow and I liked to see how things turned out for Clem and Dani. Only negative thing I have to say is that at some points the story was predictable - but nevertheless it was a fun read!

Kurzbeschreibung
Whats the worst thing about wanting a sexy NFL football player? Everyone else wants him, too. After catching my boyfriend getting deep-throated by a skanky cage girl, Ive learned my lesson never date a professional athlete. Never. Besides, I have more important things to worry about, like not blowing my shot to make it as a broadcast reporter. I wont let anything get in my way, not even the new it boy of the NFL and my hot-as-hell neighbor. Whats the worst thing about getting death glares from hisnew neighbor? It doesnt make him want her any less. Ive worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I cant stop thinking about the feisty girl next door with the smart mouth. And Id love nothing more than to show her what to do with that mouth. Friends with benefits might be the best idea hes ever had. Or the worst. ***New Adult Contemporary Romance Series - Recommended for readers 18+ due to mature content***
ORDER OF BOOKS (Each can be read as a standalone): Dearest Clementine, #1 Finding Dandelion, #2 Kissing Madeline, #3 SHAMELESS, a Dearest Series spinoff, will be available on April 26! Pressestimmen "[Daren Maddie's] chemistry was so hot, I thought my Kindle might spontaneous combust. I simply adore Lex's writing style. She has me laughing one minute, swooning the next, and making me change my panties soon after!" - Tiffany, Give Me Books "One of my most anticipated reads of 2015 and Lex Martin certainly delivered..." - Eliza, Smoking Hot Book Blog "Utterly fabulous and by far one of my favorite books of the year..." - Megan, The Never Ending Book Basket "It's everything you loved about the first two books in the series doubled. This definitely goes on my list of favorite contemporary romances." - Meagan, Love Between the Sheets "Lex Martin has written another wonderful addition to the Dearest Series and readers will not be disappointed by the quirky, sensual relationship between Maddie and Daren. 5 Stars." - Caren, Summer's Book Blog "I love all the boys (and girls) in the Dearest series, but this book is definitively, unequivocally my favorite... It. Was. Awesome." - Beth, Give Me Books
