Von Christie Barlow : Kitty's Countryside Dream: A feel good romantic comedy about life, love and family. (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Kitty's Countryside Dream: A feel good romantic comedy about life, love and family. (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kittys

Countryside Dream is a lovely story of friendship, love, hidden pasts and new beginnings. Von P. Mortimer I was initially attracted to this book by the cute front cover. I have a bike just like that and live in the countryside, so when I read my friend, Sarah's review of this on Goodreads, I decided I had to read it too. Kitty's Countryside Dream is a lovely story of friendship, love, hidden pasts and new beginnings. I have read a couple of quite heavy books recently, so went into this thinking it was going to be a light and funny read. Although this novel has an overall funny and positive feel to it, there was a lot more depth to the story than I had expected. I saw some things coming, as I'm not quite as naive as Kitty, but it didn't take away from my enjoyment of this book. Kitty does get herself into some embarrassing, but very entertaining situations, bless her. I loved the focus on the diary, and found myself glued to my Kindle screen, eager to find out what was going to be revealed next. It was this part of the story that I found most emotional. I will definitely keep my eyes open for future books by this author. The only reason I haven't read anything by her before now, is because I don't have children, and find one child belonging to someone else, more than enough, so the idea of a whole playground of them, would send me into a state of panic, not unlike Kitty and the chickens in this book! I would like to thank the publisher, Bookouture for allowing me a copy of this book via Netgalley in exchange for an honest review. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wonderful atmosphere Von Stefanie K. Thanks to netgalley and Bookouture for the ARC in exchange of an honest review. First of all, I absolutely love the cover. The colours aren't only shouting spring but it captures the story in a wonderful way. My highlight in this book is the wonderful atmosphere the author created with this little village, the farm and its warm-hearted people. I felt at home immediately. In the beginning I had some difficulties connecting with Kitty but throughout the book she definitely grew on me and I started to really like her. Tom was a real sweetheart, as well as all the other characters. The story itself was kind of predictable but didn't lower my fun reading this story. There were still some nice and interesting twists I didn't expect in the beginning or from reading the blurb. I really liked how the past and present were connected here and how things turned out in the end. The writing style of Christie Barlow is very catchy and she knows how to create a homely atmosphere. I will definitely look for more of her books in the future.

Kurzbeschreibung An utterly gorgeous story, with an utterly gorgeous plot that kept me turning the pages ... left me feeling full of happiness and hope. Beccas Books New home. New life. New beginning. Love affairs can blossom in the most unlikely places . . . When Kitty inherits Bluebell Lodge from her grandmother, a farm in the beautiful Staffordshire countryside, it's time for fresh air and a fresh start. Up to her elbows in chickens and ponies, Kitty soon realises there's an awful lot to learn about farming. Still, at least the locals seem friendly, not least her handsome neighbour Tom. But just as Kitty is beginning to find her feet, and the possibility of love, the discovery of a long-hidden diary, by a mysterious character called Violet changes everything. Who is Violet and what is her message for Kitty? As Kitty fills in the lost pieces of her family jigsaw and discovers some shocking revelations, will her countryside dream and blossoming relationship fall to pieces? When it comes to life in the country, nothing is ever quite as it seems. A heartwarming, moving and funny tale, perfect for fans of Debbie Johnson and Cathy Bramley. Praise for Kitty's Countryside Dream: This is an excellent book which swept me along so well that I read it in less than a day. I loved the characters and the story and will definitely be reading more by this author. This is definitely a book to read curled up with a mug of tea or hot chocolate. Bookloverwormblog 'A heartwarming and cosy countryside read with characters you will love' Rachael Lucas I found this book really enjoyable, the author has an engaging writing style that managed to draw me into the storyline and the lives of our character. The storyline flowed at a great pace and I raced through the book in no time soaking up the wonderful detailed descriptions. I can see that fans of Cathy Bramley and Cathy Woodman would love this book. Rea's Books Kitty's Countryside Dream will have you laughing and smiling one minute and then you'll feel it pulling at your heart strings. This really turned out to be a beautiful book turning the pages and unravelling the story was very thought provoking. I highly recommend this book you won't be disappointed, except that is when the book ends! I can't wait for the next offering by the truly gorgeous Christie Barlow. Crooks on Books I didn't want to put the book down. Best Crime Books and More Kitty's Countryside Dream is a soul-boosting necessity. I have a suspicion it's been sprinkled with a little bit of magic, as on the darkest days it'll warm your cockles and make everything seem right with the world. So, get those wellies on and head for a new roost in the country in this delicious feel-good tale with a gorgeous soft centre.' Little Bookness Lane 'A fantastic story, one that will keep you reading long into the night, just to find out what happens. I loved every moment of it and some of the scenes, with chickens, will have you chuckling' Rachel's Random Reads I was unable to put this book down. I read it within a day because I was so drawn in to the characters themselves it was like I knew them. I would completely recommend this book to anyone and everyone. Definitely a huge 5 stars! Katie's Reading Korner 'This had me gripped from the first chapter. It will have you laughing, crying and will just give you a warm feeling inside' Laura H Book Blog Kurzbeschreibung An utterly gorgeous story, with an utterly gorgeous plot that kept me turning the pages ... left me feeling full of happiness and hope.
